Language as Symbolic Power Claire Kramsch,2020-10-29 Kramsch combines insights from linguistics anthropology and sociology to show how language represents and constructs social reality Direct Speech, Self-presentation and Communities of Practice Sofia Lampropoulou,2012-04-26 This book deals with speech representation in Greek adolescents storytelling and investigates how members of different communities of practice present themselves and other characters as interactional protagonists through the stories they tell The work puts forth a dynamic approach that examines direct speech representation at the local and the broader socio cultural context in which it is embedded The concept of community of practice accounts for direct speech variation and direct speech is seen as the linguistic manifestation of shared repertoire of particular communities of practice The book combines qualitative with quantitative methods of study and brings together relevant theories of speech representation narrative analysis and self presentation *Innovations and Challenges in Identity Research* David Block,2021-12-20 Innovations and Challenges in Identity Research examines established and emergent issues within identity research This innovative book adopts a disciplinary transcendent approach drawing on a range of social science humanities and human science disciplines on the way to a detailed consideration of the history of identity as a construct the components of a poststructuralist social constructivist approach to identity the prospect of a Marxist political economy approach to identity the interrelationship between structure and agency and a model of structuring spheres an expanded version of positioning theory the digital universe as the future of identity research Leading researcher David Block provides a personal take on this key topic of study in applied linguistics and explains why and how discourse analysis is still a useful means through which we can understand identity today The book is essential reading for students and academics studying and researching within the area of language and identity Academic Writing and Plagiarism Diane Pecorari,2015-06-21 Plagiarism has long been regarded with concern by the university community as a serious act of wrongdoing threatening core academic values There has been a perceived increase in plagiarism over recent years due in part to issues raised by the new media a diverse student population and the rise in English as a lingua franca This book examines plagiarism the inappropriate relationship between a text and its sources from a linguistic perspective Diane Pecorari brings recent linguistic research to bear on plagiarism including processes of first and second language writers interplay between reading and writing writer s identity and voice and the expectations of the academic discourse community

Using empirical data drawn from a large sample of student writing compared against written sources Academic Writing and Plagiarism argues that some plagiarism in this linguistic context can be regarded as a failure of pedagogy rather than a deliberate attempt to transgress The book examines the implications of this gap between the institutions expectations of the students student performance and institutional awareness and suggests pedagogic solutions to be implemented at student tutor and institutional levels Academic Writing and Plagiarism is a cutting edge research monograph which will be essential reading for researchers in applied linguistics

An Autoethnographic Approach to Identity and Second Language

Beril T. Arik, 2023-07-20 Using autoethnographic and narrative inquiry this book investigates the identity and literacy development of an international graduate student in the United States of America The findings illustrate that the identities and literacy practices in graduate school were multiple heterogeneous dialogic situated and dynamic The findings indicate that the development of both identities and literacy practices in graduate school require a considerable amount of interaction with others through both people and texts and that these interactions are the primary factor underlying disciplinary socialization This enquiry formulates subjective evaluations about these interactions and how they fundamentally shape academic socialization The study also underlines the significance and necessity of studying academic socialization from particular emic perspectives of individuals

Glenn,Elizabeth Holt,2013-07-25 Explores the nature occurrence and uses of laughter in a range of different kinds of interactions across a variety of languages Opposition In Discourse Lesley Jeffries,2014-09-11 In this important book Lesley Jeffries introduces a phenomenon which has not been given the attention it deserves the contextual construction of oppositional meaning These are opposites not recognisable as such out of context but that are clearly set up this way in the text concerned The significance of oppositional meaning is well known but the main emphasis has always been on the conventional opposite the opposite recognised by lexical semantics Starting from socio cultural viewpoints moving to original research and then concluding with a new theoretical formulation this book introduces and consolidates a significant new approach to the analysis of oppositional meaning It closes with a discussion of the importance of constructed opposition in hegemonic practice and makes a case for the inclusion of opposition as a central tool of critical discourse analysis It is essential reading for those in stylistics linguistics and language

studies *Worlds of Written Discourse* Vijay Bhatia, 2014-09-11 The tension between the real world of written discourse and its representation in applied genre based literature is the main theme of this book The book addresses this theme from the perspectives of four rather different worlds the world of reality the world of private intentions the world of analysis and the world of applications Using examples from a range of situations including advertising business academia economics law book introductions reports media and fundraising Bhatia uses discourse analysis to move genre theory away from educational contexts and into the real world

Second Language Identities David Block: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Second Language Identities David Block : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Second Language Identities David Block : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Second Language Identities David Block : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
