Second Life A Novel:

Second Life Paul Griner, 2015-02-01 This smart and darkly glimmering story a hold your breath thriller written in finely wrought prose and a book that will spark a hundred conversations about risk and love and the dignity follows one woman's search for her former best friend into the underworld and beyond Lauren Groff New York Times bestselling author of *Fates and Furies* Elena Kelly was a body broker or corpse wrangler and when she was working she was one of the best in her field But Elena got too ambitious cut too many corners and too many ethical and legal safeguards After running afoul of the law and medical profession triggering a huge scandal in Louisville Kentucky that quickly went national she lost everything Now humbled and on a strict three year parole she works as coroner's assistant in Danville Though still trying to come to grips with her regret and guilt she is unexpectedly drawn into the search for her former best friend's missing body Elena knows what can happen to a body that goes missing how it can be salvaged and used indiscriminately for spare parts and she endeavors to seek salvation in finding Lia and bringing her body home as complete as possible Her desperate search drags her back to the underworld of the dead and pits her against a new and nefarious corpse wrangler one more talented and deadly than she ever was Pulling back the curtain on those who exist on the edge of the medical profession the ones who remove skin and tissue and bones from the dead for use by surgeons medical students practicing technique cosmetic surgeons medical equipment companies and science labs *Second Life* thrillingly and philosophically explores our obligation to protect the dead and examines what happens when we literally leave the land of the living *Second Life* S. J. Watson, 2015-06-09 Julia's life is comfortable if unremarkable until her sister's brutal murder opens old wounds She finds solace in her sister's best friend Sophie but when Sophie reveals the extent of her sister's online life Julia becomes convinced that the truth about her death lies deep in the dark sordid world of online chatrooms and internet sex What begins as Julia's search for the truth about her sister quickly turns into an exploration of herself and her own desires After all the internet is her playground and why be just one thing when you can be as many as you like What could possibly go wrong After all it's only cybersex isn't it No one's going to get hurt But then she meets the dark and mysterious Lukas in an online chat room and things begin to get very dangerous indeed **AFK, All of it** Huckleberry Hax, 2018-02-27 ALL FIVE NOVELS OF THE AFK SERIES AFK Definitely Thursday *Second Life* R detective reflects on cases and confessions on love on anger and on understanding the virtual world as perhaps the greatest liberator there has ever been AFK AGAIN Step Stransky is dead All that Thursday has to do is live with the fact of being his killer AFK INDEFINITELY Step Stransky is dead And everyone knows now it was murder And everyone knows now it was Thursday who murdered him Can she stay ahead of the law long enough to complete one last mission in the metaverse AFK IN PURSUIT OF AVENGEMENT The virtual world is changing And Definitely Thursday is struggling to keep up Once she tracked down metaverse cheats now her job is to find criminals who would use the virtual world to con rape and murder AFK AWAITING Her partner is dead and the killer's coming for her next

meanwhile her cover is blown and the authorities are once more on her trail The net is finally starting to close around Thursday

The Point of Being Cristina Miranda de Almeida, Derrick de Kerckhove, 2014-06-19 Current digital processes of production reproduction and distribution of information affect the perception of time space matter senses and identity This book explores the research question what are the psycho physiological dimensions of the ways people experience their presence in the world and the world's presence in them Because they deal principally with issues of perception and sentience with a particular emphasis on art there is in all chapters an invitation to experience a shift of perception An embodied sensation of the world and a re sensorialization of the environment are described to complement the visually biased perspective with a renewed sense of humans relationship to their spatial and material surrounding As such this book presents the topological reunion of sensation and cognition of sense and sensibility and of body self and world The perception of the Point of Being to which the various chapters of this book invite the reader proposes an alternative to the Point of View inherited from the Renaissance it offers a way to situate the sense of self through the physical digital and electronic domains that shape physical social cultural economic and spiritual conditions at the beginning of the twenty first century Nine authors explore different ways in which the paradigm of the Point of Being can bridge the interval the discontinuity between subjects and objects that began with the diffusion of the phonetic alphabet The Point of Being is a signpost on that journey [Book Publishing I](#)
