

Mental and Emotional Health

Sometimes when we feel grumpy, worried, or frustrated we express our emotions in unhealthy ways.

Everyone has a right to angry feelings, but they don't have the right to express those feelings by physically hurting others or saying angry words.

Here are some ways to manage your emotions:

Acknowledge your emotion. Take deep breaths. Do a new activity that makes you happy. Talk to someone who will listen.

Walk around and stretch.

Now your turn! Explain what you can do if you are feeling the following emotions.

sad

Your mom packed a lunch for you, but when you opened your lunch box, your juice had spilt all over your sandwich. You're feeling sad, what can you do?

You're learning how to multiply and it's very confusing. You are feeling frustrated and want to give up. What can you do?
