Rome in 1860 Edward Dicey, 2019-12-19 In Rome in 1860 Edward Dicey embarks on

a compelling exploration of the political turbulence and socio cultural dynamics of Rome during a defining year in Italian history Written in a vivid narrative style Dicey deftly balances detailed historical analysis with rich descriptions capturing the essence of Rome as it stood on the brink of unification His keen observations and insights transport readers to a city marked by revolutionary fervor class struggle and the interplay between tradition and modernity reflecting broader themes in 19th century European politics Edward Dicey a British journalist and travel writer was uniquely positioned to document this pivotal moment as a keen observer of European society His extensive travels and deep interest in political affairs informed his understanding of the complexities of Italian unification Dicey s background in journalism coupled with his encounters with key political figures allowed him to present a nuanced perspective on the events of 1860 articulating the aspirations and anxieties of the Roman populace during this transformative era Readers interested in historical narratives that intertwine personal experience with broader societal themes will find Rome in 1860 an invaluable addition to their libraries Dicey s eloquent prose and insightful commentary not only illuminate the rich tapestry of Roman society but also resonate with contemporary discussions on nationalism and identity

Property and Power Lesz Nowak,2012-12-06 THE VOICE OF THE PEOPLE THE POLISH ROAD FROM SOCIALISM ON 1 The history of all hitherto existing societies is a history of class struggle not only that between the exploited and the exploiters but also that between the ruled and the rulers And in modern times there is in some societies a struggle between those who are exploited and oppressed at the same time and those who at the same time exploit and oppress 2 The struggle between the owners and the direct producers results from the fact that the former exploit the latter that is they take from their labour more than they give back It is possible since only they the exploiters have a monopoly of the disposal over the means of production and the major part of society must provide them with their labour force Increasing exploitation finally leads to the revolution of the masses and the owners are forced to make concessions in order to avoid re occurrences
