Secrets And Confidences The Complicated Truth About Womens Friendships:

Secrets and Confidences Karen Eng, 2004-10-05 A freelance writer and editor reaches beyond the stereotypes about women's relationships with other women to present their complexities from young girls using wealthy Barbie's to play at being adults to single adults who navigate through a world that seems bent on procreation Original *Girlfriends and Postfeminist Sisterhood* A. Winch, 2013-11-06 From Mean Girl to BFF *Girlfriends and Postfeminist Sisterhood* explores female sociality in postfeminist popular culture Focusing on a range of media forms Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other's body image through the girlfriend gaze

BITCHfest Lisa Jervis, Andi Zeisler, 2006-08-08 In the wake of Sassy and as an alternative to the more staid reporting of Ms Bitch was launched in the mid nineties as a Xerox and staple zine covering the landscape of popular culture from a feminist perspective Both unabashed in its love for the guilty pleasures of consumer culture and deeply thoughtful about the way the pop landscape reflects and impacts women's lives Bitch grew to be a popular full scale magazine with a readership that stretched worldwide Today it stands as a touchstone of hip young feminist thought looking with both wit and irreverence at the way pop culture informs feminism and vice versa and encouraging readers to think critically about the messages lurking behind our favorite television shows movies music books blogs and the like BITCHFest offers an assortment of the most provocative essays reporting rants and raves from the magazine's first ten years along with new pieces written especially for the collection Smart nuanced cranky outrageous and clear eyed the anthology covers everything from a 1996 celebration of pre scandal Martha Stewart to a more recent critical look at the gayby boom from a time line of black women on sitcoms to an analysis of fat suits as the new blackface from an attempt to fashion a feminist vulgarity to a reclamation of female virginity It's a recent history of feminist pop culture critique and an arrow toward feminism's future Renewing Feminisms Helen Thornham, Elke Weissmann, 2013-07-08 The feminist movement we have been told is history This lively book reveals that on the contrary the feminist movement is alive and kicking still as engaged with the concerns and ways of seeing as it was in the 1960s 70s and 80s still demanding its political place Renewing Feminisms sets out the claim for a feminism that is renewed re invigorated and re imagined Renewing Feminisms offers a timely contribution to current debates about lived and imagined feminism today The contributors both longstanding feminists and emerging feminist scholars take a fresh look at feminist critiques and methodologies recalling the power of past feminist interventions as well as presenting a new call for future initiatives in media and cultural studies Re investigating the past facilitates a claim over the future and all the contributions to this book make clear that feminism is not only far from over it is lived and experienced in the everyday and on personal and political levels Divided into four key sections the book revisits major feminist areas investigating representational issues those of agency and narrative media forms and formats and the traditional boundaries of the public and the private What emerges is a real intervention into media and cultural studies in terms of how we understand them

today **Beyond Belief** Cami Ostman, Susan Tive, 2013-04-02 With stories by women from a wide range of religious communities including Evangelical Christian Catholic Jewish Mormon Muslim Calvinist Moonie the Unification Church and Jehovah's Witnesses the writers in *Beyond Belief* pull back a heavy curtain to reveal what they love about their lives within these communities along with the pain that comes from the rigid expectations and diminishment of women so often built into religious orthodoxy Back cover

Buchanan, Amy Hudock, 2009-11-10 Becoming a mother takes more than the physical act of giving birth or completing an adoption it takes birthing oneself as a mother through psychological intellectual and spiritual work that continues throughout life Yet most women's stories of personal growth after motherhood tend to remain untold As writers and mothers Andrea Buchanan and Amy Hudock were frustrated by what they perceived as a lack of writing by mothers that captured the ambiguity complexity and humor of their experiences So they decided to create the place they wanted to find with the kind of writing they wanted to read This unique collection features the best of the online magazine literarymama.com a site devoted to mama-centric writing with fresh voices superior craft and vivid imagery While the majority of literature on parenting is not literary or is not written by mothers this book is both Including creative nonfiction fiction and poetry Literary Mama celebrates the voices of the maternally inclined paves the way for other writer-mamas and honors the difficult and rewarding work women do as they move into motherhood

Sexing the Look in Popular Visual Culture Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard's theory of seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape

provocative essays reporting rants and raves from Bitch magazine's first ten years along with new pieces written especially for this collection Blue-Collar Pop Culture M. Keith Booker, 2012-03-09 From television film and music to sports comics and everyday life this book provides a comprehensive view of working class culture in America The terms blue collar and working class remain incredibly vague in the United States especially in pop culture where they are used to express and connote different things at different times Interestingly most Americans are in reality members of the working class even if they do not necessarily think of themselves that way Perhaps the popularity of many cultural phenomena focused on the working class can be explained in this way we are endlessly fascinated by ourselves Blue Collar Pop Culture From NASCAR to Jersey Shore provides a sophisticated accessible and entertaining examination of the intersection between American popular culture and working class life in America Covering topics as diverse as the attacks of September 11th union loyalties religion trailer parks professional wrestling and Elvis Presley the essays in this two volume work will appeal to general readers and be valuable to scholars and students studying American popular culture *Dirt* Mindy Lewis, 2010-02 We all have an amusing relationship with dirt Some of us have just thought about it more than others How we feel about keeping house speaks volumes about who we are our roots relationships and even our outlook on life Everyone can relate to It's a Boy Andrea J. Buchanan, 2009-03-13 The most popular question any pregnant woman is asked aside from When are you due has got to be Are you having a girl or a boy When author Andrea Buchanan already a mom to a little girl was pregnant with her second child she marveled at the response of friends and total strangers alike Boys are wonderful Boys are so much better than girls Boys love their mothers differently than girls This constant refrain led her to explore the issue herself with help from her fellow writers and moms many of whom had had the same experience The result is It's A Boy a wide ranging often humorous and honest collection of essays about the experience of mothering boys Taking on topics like aggression parenting a teenage boy and wishing for a daughter but getting a son It's A Boy explores what it's like to mother sons and how that experience may be different but no less satisfying than mothering girls Literary Mama: Reading for the Maternally Inclined Andrea J. Buchanan Amy Hudock, 2010-06-29 Becoming a mother takes more than the physical act of giving birth or completing an adoption it takes birthing oneself as a mother through psychological intellectual and spiritual work that continues throughout life Yet most women's stories of personal growth after motherhood tend to remain untold As writers and mothers Andrea Buchanan and Amy Hudock were frustrated by what they perceived as a lack of writing by mothers that captured the ambiguity complexity and humor of their experiences So they decided to create the place they wanted to find with the kind of writing they wanted to read This unique collection features the best of the online magazine literarymama.com a site devoted to mama centric writing with fresh voices superior craft and vivid imagery While the majority of literature on parenting is not literary or is not written by mothers this book is both Including creative nonfiction fiction and poetry Literary Mama celebrates the voices of the maternally inclined paves the way for other writer mamas and

honors the difficult and rewarding work women do as they move into motherhood **Lilith** ,2005 **Click** J. Courtney Sullivan,Courtney E. Martin,2011-03 When did you know you were a feminist Whether it was a scene in a television show an experience in school or a specific day at work many women can point to a particular moment in which they knew or realized they were feminists Accomplished young authors Courtney E Martin and J Courtney Sullivan offer a look at feminism in the lives of young women and tackle the questions of what made them feminists how they came to define themselves as feminists and how that identity has shifted and grown over time Click features a range of women including Amy Richards Shelby Knox Winter Miller Allisa Quart Rebecca Traister Jennifer Baumgardner and Debbie Siegel each sharing their self defining and personal stories Sometimes emotional sometimes humorous each of these stories offers something to which other women can relate In a time of feminist reflection Martin and Sullivan offer a look at feminism for the under forty set The Fabric of Friendship Joy Carol,2006 Exploring the emotional hurdles that women face in their relationships this text reveals a simple truth friendship is never simple Joy Carol reminds readers of the amazing gifts friendship holds and inspires them to reclaim the power of their relationships **New Books on Women and Feminism** ,2005 Harvard Review ,2003 *Bitch* ,2006 *Men and Women Making Friends in Early Modern France* Lewis C. Seifert,Rebecca M. Wilkin,2016-03-03 Today the friendships that grab people s imaginations are those that reach across inequalities of class and race The friendships that seem to have exerted an analogous level of fascination in early modern France were those that defied the assumption inherited from Aristotle and patristic sources that friendships between men and women were impossible Together the essays in *Men and Women Making Friends in Early Modern France* tell the story of the declining intelligibility of classical models of male friendship and of the rising prominence of women as potential friends The revival of Plato s friendship texts in the sixteenth century challenged Aristotle s rigid ideal of perfect friendship between men In the seventeenth century a new imperative of heterosociality opened a space for the cultivation of cross gender friendships while the spiritual friendships of the Catholic Reformation modeled relationships that transcended the gendered dynamics of galanterie *Men and Women Making Friends in Early Modern France* argues that the imaginative experimentation in friendships between men and women was a distinctive feature of early modern French culture The ten essays in this volume address friend making as a process that is creative of self and responsive to changing social and political circumstances Contributors reveal how men and women fashioned gendered selves and also circumvented gender norms through concrete friendship practices By showing that the benefits and the risks of friendship are magnified when gender roles and relations are unsettled the essays in this volume highlight the relevance of early modern friend making to friendship in the contemporary world **The Young Woman's Journal** ,1899
