dreams This collection of evocative ghazals captures the essence of a connection that transcends time and reality a bond painted with the delicate strokes of longing and imagination Through verses that weave between the real and the surreal the author delves into the bittersweet beauty of a love that lingers in silence a yearning that resonates in the quiet of the night Each ghazal is a reflection of a soul tethered to memories of a girl whose laughter dimples and sparkling eyes became the light of an eternal dream This is not just a book but a celebration of those who cherish the solace of dreams over the harshness of reality It invites readers to lose themselves in a world where love thrives in whispers where every word becomes a melody and where every page holds a piece of the heart Aks e Khwaab is for anyone who has ever loved lost and found refuge in the beauty of their own imagination Let this collection guide you into the world of dreams where love is eternal and reality fades into the shadows Step into the dream Let the magic begin The Daughter of Heaven (English Edition) Judith Gautier ,Pierre Loti,2014-11-06 Example in this ebook Thoroughly to understand China one must realize that it has for three hundred years cherished in its heart a deep and continually bleeding wound When the country was conquered by the Manchus of Tartary the ancient dynasty of the Mings was forced to yield the throne to the Tzin invaders but the Chinese nation never ceased to mourn the ancient dynasty nor to hope for its restoration Revolution is therefore a permanent thing in China a fire which smoulders eternally breaking into flame in one province only to be smothered and blaze out again presently in another No doubt the Yellow Empire is too immense to permit of complete understanding among the revolutionaries or of collective effort to break off the Tartar yoke Several times nevertheless the Chinese race has been near to victory When some twenty years ago certain events which Europe never really understood brought about an upheaval in China the revolutionaries victorious for a time proclaimed at Nang King an emperor of Chinese blood and of the dynasty of the Mings His name was Ron Tsin Tse which means The Final Flowering and by the faithful his era was called Tai Ping Tien Ko which is as much as to say The Empire of the Great Celestial Peace He reigned seventeen years concurrently with the Tartar Emperor at Peking and almost within the shadow of that city Later the authorities forced a complete suppression of his history all records of it were confiscated and burned and men were forbidden under penalty of death even to utter his name Here however is the translation of a passage relating to him which occurs in a voluminous report addressed by the Tartar general Tsen Konan Wei to the Emperor at Peking When the revolutionaries rose in the province of Chan Tung he says they possessed themselves of sixteen provinces and six hundred cities Their guilty chief and his criminal friends had become really formidable All their generals fortified themselves in the places they had taken and not until they had stood three years of siege were we again Masters in Nang King At this time the rebel army numbered more than two hundred thousand men but not one of them would surrender The moment they perceived themselves lost they set fire to the palace and burned themselves alive Many of the women hanged or strangled themselves or threw themselves into the lakes in the gardens However I succeeded in making one young woman prisoner and pressed her to tell me where the Emperor was He is dead

she replied vanquished he poisoned himself But immediately the new Emperor was proclaimed in the person of his son Hon Fo Tsen She led me to the old Emperor s tomb which I ordered broken open In it was found in fact the Emperor s body enveloped in a shroud of yellow silk embroidered with dragons He was old bald and had a white mustache I caused his body to be burned and his ashes to be thrown to the winds Our soldiers destroyed all that remained within the walls there were three days and nights of killing and pillage However one troop of several thousands of rebels very well armed succeeded in escaping from the city dressed in the costumes of our dead and it is to be feared that the new Emperor was able to escape with them This Emperor Hon Fo Tsen who in fact did succeed in fleeing from Nang King was looked upon by the real Chinese as their legitimate sovereign and his descendants in secret no doubt reigned after him uninterruptedly To be continue in this ebook The English Version of the Polyglott Bible ,1837 **An English Version of Verdi's Tragic Opera [in Three**

Acts], Luisa Miller [founded on Schiller's "Kabale und Liebe"]. Written and Adapted by C. Jeffreys Luisa
