Secrets Of The Lost Races:

Secrets of the Lost Races Rene Noorbergen, 2001 An increasing number of historical and archaeological finds made around the world have been classified as out of place artifacts ooparts They have been called this because they appear unexpectedly among the ruins of the past with no evidence of a preceding period of development their technological sophistication seems far beyond the capabilities of ancient peoples Drawing on the literature and art of the Chaldeans Sumerians Babylonians and others Rene Noorbergen s contention is that a superior race of man was responsible for these scientific marvels that bear testimony to a civilization with technology comparable to our own **Secrets of the Lost Race** Rene Noorbergen, 1978-08 **Secrets of the Lost Races** Rene Noorbergen, Joey R. Jochmans, 1980 **Treasures of the Lost Races** Rene Noorbergen, 1982 A detailed study of modern archaeological discoveries explains how artifacts help determine the ancient history of the world *Secrets of the Lost Races* Rene Noorbergen, 1978 *Secrets of the Lost Races* Rene Noorbergen, 1978 **Secrets of the Lost Ledgers** C.J. Archer, 2024-09-03 An invisible message from a dead man resurrects a decades old mystery With her sharpened magical senses Sylvia recognizes invisible writing while cataloging an obscure book for the library She s shocked to discover the message written many years earlier pleaded for help She s even more shocked to discover the author of the message was married to a paper magician Could there be a connection to Sylvia s father With a magical mystery on her hands Sylvia engages the help of Gabe Glass and together they follow the clues to the location of two hidden ledgers that implicate a very dangerous individual in an illegal bookmaking scheme Although not named Gabe is convinced he knows who the bookmaker is and sets out to prove it The investigation draws them into the shady underbelly of the horseracing industry and uncovers a link to Gabe s parents that takes everyone by surprise As they unravel the mystery s tangled threads unexpected twists and turns lead them to the truth But the greatest twist of all is the danger no one saw coming Treasures of the Lost Races Rene Noorbergen, 2004 **Dead Men's Secrets** Jonathan Gray, 2014-09-08 Archaeologist Jonathan Gray stumbled upon something that shocked him a whole cache of out of place items that should not exist And they weren t just in one place There was a global pattern to them This pattern showed a lost science and technology That s when he knew someone had to speak up This content was of tremendous value MACHINERY Did you know that the Egyptians bored into granite rock with drills that turned 500 times faster than modern power drills ANCIENT AMERICA Did you know that a Chinese mapping survey of North America in 2200 BC described a sunrise over the Grand Canyon black opals and gold nuggets in Nevada and seals frolicking in San Francisco Bay This is the most amazing archaeology book you ll ever see Dead Men s Secrets is an assemblage of astonishing discoveries A lost super science emerges from the sea floor jungle and desert sands of our planet with more than 1 000 forgotten secrets It will SHOCK you SEE this world as you ve never seen it before DISCOVER answers you never had GAIN a new enjoyment HAVE FACTS at your fingertips to amaze your friends Lost Race of the Giants Patrick Chouinard, 2013-09-28 An exploration of

mythological and archaeological evidence for prehistoric giants Examines the many corresponding giant mythologies throughout the world such as the Greek and Roman titans Norse frost giants and the biblical Nephilim Reveals recent finds of giant skeletons in the deserts of Saudi Arabia and India Explains how giants passed on their sophisticated culture and civilization to humanity before being wiped out in the great age of cataclysms and floods Giants are a cornerstone of the myths legends and traditions of almost every culture on Earth Stories of giants are often considered fantasies of the ancients or primitive attempts to explain natural phenomena but archaeological discoveries of 10 and 12 foot skeletons many of which have been suppressed confirm the existence of a forgotten golden age of giants before recorded history Patrick Chouinard examines the staggering number of corresponding giant mythologies throughout the world such as the Greek and Roman titans Norse frost giants the Hindu Daityas the biblical Nephilim the Celtic Formorach the Sumerian Anunnaki and the multitude of myths in which the sky or world is held aloft on the shoulders of a giant He links these stories to Atlantis as well as other legends of prehistoric civilizations lost to cataclysm and great floods whose survivors spawned the rise of ancient civilizations The author reveals how physical remains of giant size peoples have been found on almost every continent including recent finds in the deserts of Saudi Arabia Afghanistan and northern India as well as hundreds of excavations of giant mummies and skeletons across the United States corresponding directly with Native American accounts of red haired giants He also examines reports from famous explorers such as Magellan Sir Francis Drake and Desoto of their encounters with giants on the North American continent Revealing how giants represent the true earthborn race Chouinard explains how they engaged in open conflict with the extraterrestrial gods who created humanity for forced labor and how they passed their sophisticated culture and civilization on to humanity before being nearly wiped out in the great age of cataclysms Secrets of the Lost Races Rene Noorbergen,1977 Contends that a superior human civilization was responsible for the artifacts of advanced workmanship and technological sophistication discovered among the remains of ancient societies *Sex Secrets of Ancient Atlantis* , **The Metaphysical World of Isaac Newton** John Chambers,2018-02-13 Newton s heretical yet equation incisive writings on theology spirituality alchemy and prophecy written in secret alongside his Principia Mathematica Shows how Newton s brilliance extended far beyond math and science into alchemy spirituality prophecy and the search for lost continents such as Atlantis Explains how he was seeking to rediscover the one true religion that existed prior to the Flood of Noah when science and spirituality were one Examines Newton s alternate timeline of prehistory and his study of prophecy through the Book of Revelations including his prediction of Apocalypse in the year 2060 Isaac Newton 1643 1727 is still regarded by the world as the greatest scientist who ever lived He invented calculus discovered the binomial theorem explained the rainbow built the first reflecting telescope and explained the force of gravity In his famous masterpiece Principia Mathematica he described the mechanics of the physical universe with unimagined precision proving the cosmos was put together according to laws The perfection of these laws implied a perfect legislator To Newton they were

proof that God existed At the same time Newton was writing Principia Mathematica he was writing a twin volume that he might have called had it been completed Principia Theologia Principles of Theology This other masterpiece of Newton kept secret because of the heresies it contained consists of thousands of essays providing incisive answers to the spiritual questions that have plagued mankind through the ages Examining Newton's secret writings John Chambers shows how his brilliance extended into alchemy spirituality the search for lost continents such as Atlantis and a quest to uncover the corrupted texts that were rife in the Bibles of his time Although he was a devout Christian Newton's work on the Bible was focused not on restoring the original Jewish and Christian texts but on rediscovering the one true religion that existed prior to the Flood of Noah when science and spirituality were one The author shows that a single thread runs through Newton's metaphysical explorations He is attempting to chart the descent of man's soul from perfection to the present day The author also examines Newton's alternate timeline of ancient history and his study of prophecy through the Book of Revelations including his prediction of an Apocalypse in the year 2060 followed by a radically transformed world He shows that Newton's great hope was that these writings would provide a moral compass for humanity as it embarked upon the great enterprise that became our technological world

Atlantis Shirley Andrews, 2018-02-07 You know of it through song and legend the golden civilization of Atlantis which sank into the cold depths of the sea ages ago But few know the truth about Atlantis or the geological and metaphysical evidences that suggest it really existed What have scholars unearthed of Atlantis's society and history How about its mystical and religious beliefs art and architecture and its people's knowledge of science and healing Is it possible that the tremendous achievements of the Atlanteans were aided by extraterrestrial contact Shirley Andrews uncovers the living legacy in Atlantis Insights from a Lost Civilization a compelling new look at a legendary country once situated on the Atlantic Ridge The author has traveled extensively to conduct her own comprehensive research which she synthesizes with the work of hundreds of other Atlantis researchers classical and modern scholars scientists and respected psychics like Edgar Cayce Survivors of this fabled land have made their mark on cultures all over the world and their descendants walk the earth today Learn how the legacy of Atlantis can help us bring our own world into a new age of peace and enlightenment

What The Prophet Ether Couldn't Tell Us: Book 2 of 3 Jim Hendleman, 2021-04-13

BACK COVER The sequel to the Jaredite's Civilization What the Prophet Ether couldn't Tell Us is finally out Book III to shortly follow Book II tells of the life and times of the Jaredites the greatest civilization to have ever lived on Planet Earth It details their earliest beginnings and enumerates some of their many achievements and accomplishments It is first mentioned within the Book of Mormon in Ether 1:42-44 Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology's canards about evolution and their false narrative about the Origin of Man The Jaredites settled and colonized

South and North America Lemuria Antarctica The British Isles and most of western Europe plus the lands of China and India For nearly 2 530 years they maintained a world wide civilization My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us They built all of Egypt Their Hindu colony fought at least two internal nuclear wars They colonized throughout our entire Solar System most moons and all the planets have their cities mainly covered by 7 mile high glass domes except Jupiter and Saturn These two planets each have possible Star War size moons that could be artificial space stations Mars used to be a moon to its now exploded primary which is now the Asteroid Belt Their Martian cities are so immense that New York City and Shanghai combined wouldn't be considered a nickel in a handful of change in comparison to them Jaredite leftovers are all over Earth if one knows when to look for them Book III details a few of their many wars as well as their final Civil War the first year or two which were nuclear Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts And their final long prophesied death

The Yugas Joseph Selbie, David Steinmetz, 2011-08-16 Millions are wondering what the future holds for mankind and if we are soon due for a world changing global shift Paramhansa Yogananda author of the classic Autobiography of a Yogi and his teacher Sri Yukteswar offered key insights into this subject They presented a fascinating explanation of the rising and falling eras that our planet cycles through every 24 000 years According to their teachings we have recently passed through the low ebb in that cycle and are moving to a higher age an Energy Age that will revolutionize the world Over one hundred years ago Yukteswar predicted that we would live in a time of extraordinary change and that much that we believe to be fixed and true our entire way of looking at the world would be transformed and uplifted In The Yugas authors Joseph Selbie and David Steinmetz present substantial and intriguing evidence from the findings of historians and scientists that demonstrate the truth of Yukteswar's and Yogananda's revelations

From the First Rising Sun Charla Jean Morris, 2011-08-10 While in medical school which I did not have the privilege of completing once a week we had a small group discussion class called Focus On Problems Each group had a leader a member of the medical school staff or someone closely associated with the school usually an MD or Ph D Our group leader was Dean of the Medical School H David Wilson MD One class period focused on working with patients of different ethnic backgrounds Dr Wilson asked me what were some of the traditions of my tribe in regard to medicine that would be helpful for a doctor to know My reply was that I had been raised like a white that I had grown up learning about various herbal and natural remedies but that I knew nothing about the specific medical traditions ceremonial or secular of my people I had always longed to know of the traditions of my people before that but circumstances of my family history had not allowed it That question in the Focus On Problems class caused that longing to intensify into a sharp pang of longing that would not be satisfied until many years later While in the first two years of medical school as a nontraditional student I was in an environment that encouraged the development of the knowledge of Native American traditions We had Native American

speakers that came and elaborated on Native American traditions One area that was lacking was tribal histories but what academics label prehistory I commented to her that when white man came they did all they could to destroy our social and religious fabric so the old traditions were not passed down to most of the remaining members of the tribes Now we know nothing of our old history There is nothing left The white side of my family history is easy to know but not my Cherokee and Choctaw side She replied by saying that yes many of our peoples have lost their old traditions and it is sad *Ark of God* David Hatcher Childress,2015-10-27 David Childress popular author and star of the History Channel s show Ancient Aliens takes us on an incredible journey in search of the truth about and science behind the fantastic Biblical artifact known as the Ark of the Covenant This object made by Moses at Mount Sinai part wooden metal box and part golden statue had the power to create lightning to kill people and also to fly and lead people through the wilderness Featured in such popular movies as Raiders of the Lost Ark by Lucas and Spielberg the Ark of the Covenant is probably the most mysterious object in the Old Testament what was it Was it an ancient electrical device The Ark of the Covenant suddenly disappears from the Bible record and what happened to it is not mentioned Was it hidden in the underground passages of King Solomon s temple and later discovered by the Knights Templar Was it taken through Egypt to Ethiopia as many Coptic Christians believe Childress looks into hidden history astonishing ancient technology and a 3 000 year old mystery that continues to fascinate millions of people today **Atlantis in America** Ivar Zapp,George Erikson,1998 This text presents evidence for a new theory that the great stone spheres of Costa Rica and sighting stones throughout the Pacific were used to teach sea routes and constellation paths to navigators of the ancient world It reveals substantial links between Meso America and Egypt and the Middle East
