planned The Second Chance series focuses on the fantasy of second chances and getting the opportunity to do things over again if that's what someone wants to do. The choice is always there. Whether or not these diverse characters will change the course of their lives and take the second chance remains to be seen. In the first novella of the Second Chance series, an older gay man who has lived a closeted life for ninety-two years is presented with choices one last time. Who hasn't wondered how things might have turned out if only they'd made one or two different choices in their lives? Who hasn't contemplated what it would be like for the chance to do things all over again a different way if only that were possible? In this, the second bonus novella from the Second Chance series titled *The Littlest Christmas Tree*, an unhappy man trapped in a relationship so bad he isn't even allowed a small Christmas tree is granted a second chance to go back in time and rethink the most pivotal choice he ever made. In doing this, he becomes one of the lucky few who can alter the outcome of his entire life. In the third installment of the Second Chance series by Ryan Field, *His Only Choice*, Lance has to figure out a way to deal with the fact that his partner Davis, of twenty years, will be traveling extensively in Asia and leaving him alone for long stretches at a time. So Lance plunges into making important changes to the small brick-and-mortar bookshop he owns in New York's Hudson River Valley to keep it competitive with the rising popularity in e-books. He's also trying to deal with turning forty years old and it's not working out well. In order to fill the lonely hours when he's not working, Lance joins a gym and meets a very young personal trainer named Sergio who makes him feel so young and desirable again he starts lying about his age and telling Sergio he's only thirty-five years old. In the fourth installment of the Second Chance series, *The Sweetest Apple*, there are no guarantees and Matty could wind up reliving a loveless life and repeating the same mistakes all over again. It could also take a different turn and this time Matty could alter his course. But will he know enough to take advantage of this before it's too late?

Every Reason to Stay by Ryder O'Malley, 2025-04-15 **My Mate's Mark (Second Chance Mates 2)** by Rosa Swann, 2017-04-18

Wilder Sterling going into heat was not part of the plan, me marking and mating him even less so. The whole day I've been able to resist him until we both can't fight our needs for each other and the pressure of Sterling's heat anymore. I'm supposed to make his life easier, not harder. Sterling. Being stuck in bed most of the day doesn't help the thoughts running through my head. Especially not after seeing a mating mark on Wilder's shoulder. This man is here to help me, but all I want is to find out about his past, even though he's trying to help me face mine. But the clock is ticking. Wilder's only here for one week. This is the second novella about Alpha Wilder and Omega Sterling in *Second Chance Mates*, which takes place in the non-shifter Omegaverse Mates World and contains mpreg, male pregnancy. This novella may include any of these elements: steamy scenes, I need tissues NOW, moments of "why, oh why," and cliffhangers that make you bite your nails and curse the author.
