Second Semester Intake Gauteng:

ICT Education Salah Kabanda, Hussein Suleman, Stefan Gruner, 2018-12-31 This book constitutes the refereed proceedings of the 47th Annual Conference of the Southern African Computer Lecturers Association on ICT Education SACLA 2018 held in Gordon s Bay South Africa in June 2018 The 23 revised full papers presented together with an extended abstract of a keynote paper were carefully reviewed and selected from 79 submissions The papers are organized in topical sections playfulness media and classrooms academia and careers teaching programming adaptation and learning teamwork and projects learning systems topic teaching *This Week in South Africa*, 1995 **Planning and Transformation** Philip Harrison, Alison Todes, Vanessa Watson, 2007-09-12 Planning and Transformation provides a comprehensive view of planning under political transition in South Africa offering an accessible resource for both students and researchers in an international and a local audience In the years after the 1994 transition to democracy in South Africa planners believed they would be able to successfully promote a vision of integrated equitable and sustainable cities and counter the spatial distortions created by apartheid This book covers the experience of the planning community the extent to which their aims were achieved and the hindering factors Although some of the factors affecting planning have been context specific the nature of South Africa s transition and its relationship to global dynamics have meant that many of the issues confronting planners in other parts of the world are echoed here Issues of governance integration market competitiveness sustainability democracy and values are significant and the particular nature of the South African experience lends new insights to thinking on these questions exploring the possibilities of achievement in the planning field **Multinationals on the Periphery** G. Benito, R. Narula, 2007-10-26 Multinational enterprises do not regard all locations as being equivalent Smaller economies and less developed countries are not as attractive because of a limited market size or lack of proximity to other locations This book focuses on how multinational activity to and from peripheral economies differs from their activity in core economies
