Secret Societies John Lawrence Reynolds,2011-09-01 They generate fear suspicion and above all fascination Secret societies thrive among us yet they remain shrouded in mystery Their secrecy suggests to many sacrilege or crime and their loyalties are often accused of undermining governments and tipping the scales of justice The Freemasons for example hold more seats of power in the U S government than any other organization No fewer than sixteen presidents have declared their Masonic affiliation and there may have been more Secret societies have infiltrated pop culture as well Celebrity members of Kabbalah include Madonna Demi Moore

and Elizabeth Taylor among others From the Mafia and the Yakuza to the Priory of Sion Skull and Bones and the Templars Reynolds offers an illuminating and entertaining exploration of the stories confirmed and fabricated that surround these societies as well as provides detailed information on their origins initiations rituals and secret signs Dispelling myths and providing gripping revelations such as a direct historical link between the Assassins of the Middle Ages and today s Al Qaeda Secret Societies gives us a smart surprising look at the best known and often least understood covert organizations
