heart's desire **The Unreal Estate Guide to Detroit** Andrew Herscher, 2012-11-14 Intense attention has been paid to Detroit as a site of urban crisis. This crisis however has not only yielded the massive devaluation of real estate that has so often been noted; it has also yielded an explosive production of seemingly valueless urban property that has facilitated the imagination and practice of alternative urbanisms. The first sustained study of Detroit's alternative urban cultures, *The Unreal Estate Guide to Detroit* initiates a new focus on Detroit as a site not only of urban crisis but also of urban possibility. The Guide documents art and curatorial practices, community and guerilla gardens, urban farming and forestry, cultural platforms, living archives, evangelical missions, temporary public spaces, intentional communities, furtive monuments, outsider architecture, and other work made possible by the ready availability of urban space in Detroit. The Guide poses these spaces as unreal estate, urban territory that has slipped through the free market economy and entered other regimes of value, other contexts of meaning, and other systems of use. The appropriation of this territory in Detroit, the Guide suggests, offers new perspectives on what a city is and can be, especially in a time of urban crisis. *A to Zoo* Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms, to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles. *Crash Course in Storytime Fundamentals* Penny Peck, 2015-01-26 This manual is a one-stop shop on how to present storytimes to suit different audiences, including bilingual learners, special needs children, and those in a variety of settings such as Head Start preschools and day care situations. This beginner's guide to storytelling traces the developmental stages of very young children, illustrating how to present storytime for babies, toddlers, and preschoolers as well as in family settings to be most effective. Author Penny Peck will teach you the fundamentals of reading with the intent of capturing children's imaginations, showing you how to incorporate music, play, and hands-on activities into your routine. She offers expert advice on how to choose the best picture books and provides lists of books for addressing particular literacy needs. A perfect primer for those new to the task, this guide illustrates how to make this activity a favorite of children and provides tips for progressing in the role of storyteller, with ideas for engaging your

audience and enhancing enjoyment Beginning with the basics of performing a library storytime each subsequent chapter builds on that knowledge offering ways to infuse technology special needs adaptations and music into the story The revised edition addresses such current topics as iPads apps usage online options and dance programs **But What Do I DO?**
