

Overview

Push-Ups - The purpose of this component is to evaluate upper body muscular strength and endurance. This assessment will be administered in an indoor or outdoor space. Applicants are instructed to complete as many push-ups as possible within a one minute timeframe. Only one trial will be given and scores are based on how many correctly performed push-ups are completed.

Illinois Agility Run - The purpose of the Illinois Agility Run is to evaluate an applicant's anaerobic power and ability to quickly change directions. This component will take place either indoors or outdoors and requires applicants to complete a short distance run with changes in direction as fast as possible. Two trials for this component are given, but only the best trial will be scored. A diagram of the course has been provided below for illustration purposes.
