But someone from her past has a different plan. Sheriff's deputy Colt Haines isn't looking for love and he definitely isn't looking for a flighty blonde to move into his spare room and complicate his life. But his young daughter has other ideas. It's US Marshal Ben Markham's job to keep witnesses alive but providing protection to BDSM social club owners who stumble onto double murders isn't at the top of his bucket list. Still protecting Mitzi Pomeroy until trial has its perks. Like close contact with gorgeous smart as a whip Assistant DA Addison Decker. Too bad Addie doesn't come with a warning label. Who'd have thought an ADA could have so many secrets. Or that those secrets will find Ben and his partner Nick Pierce scrambling to keep them all alive. Suspense at its finest. This book has it all: romance and mystery. A real thriller. Ms Hill has done it again. Romance mystery author Roseanne Dowell. I've been waiting and waiting for this one. Jamie Hill's Witness Security books are on the top of my reading list. I'm so excited that *Cover of Darkness* is here before Christmas. It's also on my gift list for romantic suspense reading friends and family. Jude Pittman, author of the Kelly McWinter PI series.

Time To Kill Jamie Hill, 2018-03-01 US Marshal Jordan Burke is happy for her partner when he takes a month off for paternity leave but she's not happy about her substitute partner Nick Pierce. He worked for the Topeka Witsec office years ago and left under less than the best of circumstances. When he's asked to fill in he hesitates but curiosity about Jordan makes him accept the job. The minute he sees her again he doesn't regret his decision. From Atlanta to Los Angeles Jordan and Nick discover that danger and help can come from the strangest sources. While they struggle to protect their witnesses the bigger challenge seems to be keeping each other alive. And there's always the possibility that they might kill each other. **first Review for Witness Security Book 1 Pieces of the Past** Christine Scott's husband's been stupid. Criminally stupid. More to the point he's made their children targets. She's done all she can to protect them: new lives, new identities, complete cooperation with the witness security program and its agents. But none of that was good enough. Now Agent Doug Jackson is their only hope. Suspense at its best. G. R. Branan, Amazon Reader. Ms Hill has the gift of knowing what the reader wants and then hitting you with an ending you certainly don't expect. Two thumbs up. Val You
