William Proctor, Richard McCulloch

Secrets Of Cosplay:

Secrets of Cosplay Coser, 2014-12 Secrets of Cosplay allows fans an exhaustive look into the culture of costuming based on anime video game and television characters and more. Four sections detail a broad range of topics essential to the art of costume play. Section I covers a guide to cosplay conventions, interviews with cosers, and an introduction to the different categories of cosplay. Section II, Key Steps in Cosplay, takes readers through the hands-on aspects of the art with guides to role research, makeup, styling, composition, and photography, stage performance, and photo sifting and retouching, as well as case studies of specific costume designs. Section III features an in-depth case study of a single project through conception to the final product. The final quarter of the book is a gallery devoted to projects crafted by an international selection of cosplay masters. Each section is illustrated with in-depth diagrams and high-quality photography, making Secrets of Cosplay not just a guidebook but an immersive portal into the fantastical world of cosplay design. Costuming Cosplay Therèsa M.

Winge, 2018-11-01 Cosplay, short for costume play, has grown from its origins at fan conventions into a billion-dollar global dress phenomenon. Costuming Cosplay takes us from elaborately crafted DIY costumes to online fandoms, examining how the practice of portraying fictional characters from popular culture through dress and performance has become a creative means of expressing and playing with different identities. With an approach that ranges from admiration and role play to gender performance, this is the first book to fully examine the subculture and costume of the Cosplay phenomenon. Drawing on extensive first-hand research at conventions across North America and Asia, Therèsa M. Winge invites us to explore how Cosplay functions as a meritocracy of creativity, escapism, and disguise, and offers a creative realm in which fantasy and new forms of socializing carry as much importance as costume. Illustrated with color photographs of both celebrity and amateur cosplayers, Costuming Cosplay is essential reading for students and scholars of fashion and costume, popular culture, anthropology, gender, and media studies, as well as global players and fans of Cosplay.
