Summary of The Miracle Morning Alexander Cooper,2021-04-24 Summary of The Miracle Morning Hal Elrod s book The Miracle Morning takes widely accepted self help practices that have been developed over centuries of human consciousness studies and condenses the best of the best into a daily six step ritual The book uses the concept of habit stacking the method of selecting a few desirable habits creating a sequence out of them and making the sequence itself a new habit People who use habit stacking benefit because they can adopt multiple good habits at once They can automate their behavior to do an entire sequence instead of just focusing on trying to implement numerous new habits one at a time This method takes less motivation and builds momentum quickly for comprehensive behavior change The Miracle Morning s
