Guided Reading

Postwar America

1. How does each of the authors describe the solutions offered to deal with postwar problems?

1. Problems: Millions of returning veterans and millions of people are living in poverty in a nation that is rich.

Solutions offered by the Truman administration and Congress	Congress passed the United States Housing Act, guaranteeing veterans a year's worth of unemployment benefits while job hunting. It offered unemployment benefits, guaranteed loans.
---	---

2. Problems: Severe housing shortage

Solutions offered by developers such as William Levitt	Levitt used assembly-line techniques to build houses, offering homes to small residential communities called suburbs for less than \$17,500.
Solutions offered by the Truman and Eisenhower administrations	The Truman and Eisenhower administrations provided financial support for urban renewal and housing, setting aside for low-income families.

3. Problems: Severe inflation

Solutions offered by the Truman administration and Congress	Congress passed Truman Administration's recommendations, which called for the economy, including the price, wages, and profits.
---	---

4. Problems: Labor unions that threaten to supply the nation.

Solutions offered by the Truman administration	Truman's administration said the nation's workers could be able to refuse to work on the job. He called on the federal government to union that threat. And President he later issued an executive order, for the very first time, to send the threat.
--	--

5. Problems: Discrimination and racial violence

Solutions offered by the Truman administration	The Truman administration issued an executive order, which called for a housing, employment, in government and public accommodations, integration of the workplace, and set out to discrimination in the federal government employment.
--	---

6. Evaluate the significance of leaders in, Eisenhower, and Paul Robeson.

Robeson	The Robeson was a famous actor, singer, and actor, who played a variety of leading roles.

Section 1 Guided Postwar America Key:

Redlining Culture Richard Jean So, 2020-12-15 The canon of postwar American fiction has changed over the past few decades to include far more writers of color. It would appear that we are making progress recovering marginalized voices and including those who were for far too long ignored. However, is this celebratory narrative borne out in the data? Richard Jean So draws on big data literary history and close readings to offer an unprecedented analysis of racial inequality in American publishing that reveals the persistence of an extreme bias toward white authors. In fact, a defining feature of the publishing industry is its vast whiteness, which has denied nonwhite authors, especially black writers, the coveted resources of publishing: reviews, prizes, and sales, with profound effects on the language, form, and content of the postwar novel. Rather than seeing the postwar period as the era of multiculturalism, So argues that we should understand it as the invention of a new form of racial inequality, one that continues to shape the arts and literature today. Interweaving data analysis of large-scale patterns with a consideration of Toni Morrison's career as an editor at Random House and readings of individual works by Octavia Butler, Henry Dumas, Amy Tan, and others, So develops a form of criticism that brings together qualitative and quantitative approaches to the study of literature. A vital and provocative work for American literary studies, critical race studies, and the digital humanities, *Redlining Culture* shows the importance of data and computational methods for understanding and challenging racial inequality.

US Foreign Policy and the Iranian Revolution C. Emery, 2013-10-15 This book provides a fresh perspective on the origins of the confrontation between the US and Iran. It demonstrates that, contrary to the claims of Iran's leaders, there was no instinctive American hostility towards the Revolution and explains why many assumptions guiding US policy were inappropriate for dealing with the new reality in Iran.

Jews and the American Soul Andrew R. Heinze, 2021-03-09 What do Joyce Brothers and Sigmund Freud, Rabbi Harold Kushner and philosopher Martin Buber have in common? They belong to a group of pivotal and highly influential Jewish thinkers who altered the face of modern America in ways few people recognize. So argues Andrew Heinze, who reveals in rich and unprecedented detail the extent to which Jewish values, often in tense interaction with an established Christian consensus, shaped the country's psychological and spiritual vocabulary. *Jews and the American Soul* is the first book to recognize the central role Jews and Jewish values have played in shaping American ideas of the inner life. It overturns the widely shared assumption that modern ideas of human nature derived simply from the nation's Protestant heritage. Heinze marshals a rich array of evidence to show how individuals ranging from Erich Fromm to Ann Landers changed the way Americans think about mind and soul. The book shows us the many ways that Jewish thinkers influenced everything from the human potential movement and pop psychology to secular spirituality. It also provides fascinating new interpretations of Sigmund Freud, Alfred Adler, and Western views of the psyche: the clash among Protestant, Catholic, and Jewish moral sensibilities in America; the origins and evolution of America's psychological and therapeutic culture; the role of Jewish women as American public moralists; and more. A must-read for

anyone interested in the contribution of Jews and Jewish culture to modern America **James Agee, Omnibus, and Mr. Lincoln** William Hughes, 2004-08-02 In 1952 CBS in conjunction with the Ford Foundation launched Omnibus a remarkable experiment in television The objective was to raise the programming standards of an emerging medium that figured to profoundly influence American life The centerpiece of Omnibus during its inaugural season was Mr Lincoln a series of five films about the early life of our foremost political icon James Agee the distinguished American author was the principal creator of Mr Lincoln At the time his scripts were hailed as the most beautiful writing ever done for television and even today Agee s characterization of Lincoln remains among the finest perhaps the finest film about Abraham Lincoln ever made Regrettably this important and sensitive work a revealing expression of American culture at mid century has been consigned to the archives and has not been available to the public for many years Author William Hughes aims to keep alive Agee s neglected masterpiece placing Mr Lincoln in the context of the period s prevailing ideology Cold War liberalism and conveying the institutional framework in which the work originated In addition Hughes takes into account Agee s personal experiences his social and political views and his related writings for and about film all of which came into play when he reworked the Lincoln legend for the television age Based on extensive archive research and an interview with Norman Lloyd who directed the five films this book fully documents the cultural and historical importance of Mr Lincoln World War II Guide to Records Relating to U.S. Military Participation Rebecca L.
