PAGES

Story Starter:

There was the first time to leave the school library. The first around the corner, through an old, redwood book that he found tucked behind a row of dusty encyclopedias. The room had no air, but the pages were filled with vibrant handwriting, almost like a story.

As he turned to the final entry, the words seemed to glow faintly under the dim light.

"The afternoon would find... I hope you are ready?"

The light flickered. A sudden gust of wind rustled the pages.

Lines formed around

The library doors were closed.

And he was no longer there?

Choose Your Middle Twist

1 The town just back. As soon as he back from the back, the library suddenly changes. The wooden shelves would replaced by colorful glass and metal walls. The story is still in his hands, but now the words had changed—the words he written on it. And he didn't like the direction before he read them.

2 Write down your choices in the space below. Use a separate piece of paper to write your story.

Bonus Challenge: Story Remix

For a fun twist, remix settings with a twist and create a new ending to add new layers to the story. Can you make it sound better than your original?
