relevant content These have been prepared by authors with more than 10 years experience in the field The simple and well organized format of the books in this series makes studying more efficient and effective *Gun Control in the United States* Gregg Lee Carter,2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court s ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate *The Broadview Pocket Guide to Citation and Documentation - Second Edition* Maureen Okun,Nora Ruddock,2016-08-30 Compact and convenient The Broadview Pocket Guide to Citation and Documentation includes information on MLA APA Chicago and CSE styles of citation and documentation The second edition has been fully updated to reflect the 2016 revisions to the MLA style of documentation A wide range of examples are provided throughout the book and full sample essays in both MLA and APA styles are also included The book discusses summary and paraphrase as well as direct quotation and includes an extensive treatment of how to integrate quoted material into the text of an academic paper There is coverage too of what constitutes plagiarism and how to avoid it *Writing Pre GED Series* Raintree Steck-Vaughn Staff,Steck-Vaughn Company,1994 *The Craft of Argument, with Readings* Joseph M. Williams,Gregory G. Colomb,Jon D'Errico,2003 Evenly divided between practical instruction and exemplary readings this textbook thoroughly explains what arguments are why they are important how to tell good arguments from bad and how to construct and present original arguments The readings include philosophical journalistic social scientific and political pieces concerned with lying witch hunts love risk beauty and families Annotation c
