The Emotions Rom Harré, W Gerrod Parrott, 1996-06-27 There is much that is fascinating here Long established experiments and conclusions are rubbished and reinterpreted long established assumptions and beliefs about emotions are soundly trounced and generally a good going over is delivered to the whole field it is such a blockbuster that one can only reel backwards and tell anyone studying the subject that they would be crazy not to get it Self the variation and diversity in emotion which provides scope for exploring how patterns of emotion contrast in different societies across gender lines at different historical times and between children and adults and the way in which the body is shaped and its functions influenced by culturally maintained patterns of emotion displays

The Most Dangerous Man in America John K. Wilson, 2011-03 John K Wilson the author of *President Trump Unveiled* tackles the ideologies of America's most notorious conservative radio talk show icon in *The Most Dangerous Man in America* Rush Limbaugh's Assault on Reason Rush Limbaugh is the most prominent figure in the conservative movement with millions of listeners every week on more than six hundred stations a larger media platform than almost any other individual in the nation And this is why he is so dangerous Despite refusing to uphold even the most basic standards of journalism Rush has been given an extensive wide reaching platform with which to spew his venom And spew it he does In this book author John K Wilson uses the most damning evidence of all Rush's own words to deliver the ultimate indictment of Limbaugh's bankrupt ideology and how it embodies the decline of the conservative movement Wilson catalogs the world according to Rush from the political conspiracies to his disdain for scientific evidence and apparent love of racist sexist and homophobic stereotypes and shows

how the radio personality poisons any rational political rhetoric with an endless stream of slurs lies and intimidation Most revealingly the author demonstrates how Limbaugh s blustering baseless proclamations and love for savage personal attacks have had a chilling effect on both parties as he viciously targets not only liberals but also any Republican who dares question one of his conclusions Meanwhile Rush s viselike grip on the political arena has created a media monster so powerful that even liberal commentators are forced to engage with him and his polarizing discourse The Most Dangerous Man in America reveals Rush Limbaugh to be just that No matter what you thought about the man before you will never feel the same way about him again Media, Culture, and the Religious Right Linda Kintz,Julia Lesage,1998 As the religious right has increased in both power and visibility there has been a commensurate growth in the prominence of Christian media The contributors to this book provide a broad overview of the organizations history and media influences of the Christian right
