

# Project Report

## Project Description

### 1 Project Overview

A brief description of the product to be produced, before getting into details.

### 2 The Purpose of the Project

#### 2a The User Business or Background of the Project Effort

##### Content

content, motivation, examples and Considerations

A short description of the business being done, its context, and the situation that triggered the development effort. It should also describe the work that the user intends to do with the delivered product.

##### Motivation

Without this statement, the project lacks justification and direction.

##### Considerations

You should consider whether the user problem is serious, and whether and why it needs to be solved.

#### 2b Goals of the Project

( Note: This item and the following one together cover the " Objectives and success criteria of the project" item specified by Bruegge & DuToit. )

##### Content

This boils down to one sentence, or at most a few sentences, that say why we want this product. Here is where you state the real reason the product is being developed.
