Announcer, 2004 **Understanding Your Refugee and Immigrant Students** Jeffra Flaitz, 2006 Understanding Your Refugee and Immigrant Students is an excellent resource for educators who work with refugees and immigrants This well researched volume including interviews with students from the profiled countries provides a wealth of information about the specific schooling traditions, practices, circumstances and expectations that follow these individuals to their new homes in North America and influence their learning experience The author has focused her research on 18 countries that contribute a majority of refugees and immigrants to the United States: Afghanistan, Bosnia Herzegovina, Croatia, the Dominican Republic, Ecuador, El Salvador, Ethiopia, Guatemala, Honduras, India, Iran, Laos, Liberia, Peru, Somalia, Sudan, and the Ukraine Each country profile features statistics about the country, a historical synopsis, an overview of the country's official education policy, cultural perspectives, and a problem solution section containing classroom strategies The linguistic systems of the languages featured are also included for teacher reference Also included is information about teacher-student relationships, discipline and class management, and appropriate non-verbal communication This volume provides invaluable insight into refugee and immigrant students' cultural and educational backgrounds and gives instructors the tools to translate this information into effective classroom strategies Canadian Journal of Physics, 2015 Writing a Research Paper in Political Science Lisa A. Baglione, 2018-12-31 Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience Crafting the right research question, finding good sources, properly summarizing them, operationalizing concepts, and designing good tests for their hypotheses, presenting and analyzing quantitative as well as

qualitative data are all tough going without a great deal of guidance and encouragement Writing a Research Paper in Political Science breaks down the research paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished Practical summaries recipes for success worksheets exercises and a series of handy checklists make this a must have supplement for any writing intensive political science course New to the Fourth Edition A non causal research paper woven throughout the text offers explicit advice to guide students through the research and writing process Updated and more detailed discussions of plagiarism paraphrases drop ins and transcripts help to prevent students from misusing sources in a constantly changing digital age A more detailed discussion of fake news and disinformation shows students how to evaluate and choose high quality sources as well as how to protect oneself from being fooled by bad sources Additional guidance for writing abstracts and creating presentations helps students to understand the logic behind abstracts and prepares students for presentations in the classroom at a conference and beyond A greater emphasis on the value of qualitative research provides students with additional instruction on how to do it
