with public issues be encouraged among all citizens Together the chapters in this volume provide a comprehensive overview of current understandings of the factors and processes which influence citizens patterns of political and civic engagement They also present a set of evidence based recommendations for policy practice and intervention that can be used by political and civil society actors to enhance levels of engagement particularly among youth women ethnic minorities and migrants Political and Civic Participation provides an invaluable resource for all those who are concerned with citizens levels of engagement including researchers and academics across the social sciences politicians and political institutions media professionals educational professionals and schools youth workers and education NGOs and leaders of ethnic minority and migrant organizations and communities d political institutions media professionals educational professionals and schools youth workers and education NGOs and leaders of ethnic minority and migrant organizations and communities Research, Advocacy, and Political Engagement Sally Cahill Tannenbaum, 2023 As institutions of higher education embrace civic engagement service learning has emerged as a most effective way to engage students in field experiences where they will confront profound questions of the relevance of academic learning to addressing community needs Each volume in this series is organized around a specific community issue and provides multiple perspectives on both the theoretical foundations for understanding the issues and purposeful approaches to addressing them The contributors to these books who represent disciplines in the sciences humanities and social sciences offer vivid examples of how they have integrated civic engagement in their courses explain their objectives and demonstrate how they assess outcomes To stimulate adaptation of the approaches described in these books each volume includes an Activity Methodology table that summarizes key elements of each example such as class size type of community partner the activity and the methodology or pedagogy employed and potential applications of the example in other disciplines This volume presents inventive approaches to using service learning to introduce students to political engagement The work of faculty representing a wide variety of disciplines this compilation of innovative and varied courses offers models to adapt and ideas to stimulate the creativity of instructors The contributors view political engagement from distinct vantage points Political scientists look at political engagement from a more traditional perspective Mathematicians develop courses that explore the statistical implications Economists focus on cost benefit analysis Business professors provide an entrepreneurial angle Feminists consider the language implications of political engagement The chapters in this book describe how teachers in Politics Education Urban and Regional Planning Business Communications Sociology Mathematics Economics and Women s Studies have created effective activities that advance disciplinary knowledge develop collaboration with communities and engage students in the political process

Youth Civic and Political Engagement Martyn Barrett, Dimitra Pachi, 2019-02-01 What exactly is civic and political participation What factors influence young people s participation How can we encourage youth to actively participate in their own democracies Youth Civic and Political Engagement takes a multidisciplinary approach to answering these key questions

incorporating research in the fields of psychology sociology political science and education to explore the issues affecting youth civic and political engagement Drawing on evidence that has been obtained in many different national contexts and through multinational studies this book provides a theoretical synthesis of this large and diverse body of research using an integrative multi level ecological model of youth engagement to do so It identifies unresolved issues in the field and offers numerous suggestions for future research Youth Civic and Political Engagement is an invaluable resource for researchers teachers youth workers civil society activists policymakers and politicians who wish to acquire an up to date understanding of the factors and processes that influence young people s civic and political engagement and how to promote youth engagement Chapters 1 2 3 and 4 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Future of Digital Democracy Pierluigi Contucci, Andrea Omicini, Danilo Pianini, Alina Sîrbu, 2018-12-17 Digital democracy is a hot topic nowadays its relevance growing along with the impact of computational platforms on our political life Communication is the basal fabric on which society is defined and it appears obvious that the civic organisation and politics itself should take the opportunities the digital revolution offers Institutional inertia nevertheless causes large delays in updating and adapting Therefore the balance between participation and delegated representation is now facing a crisis A thorough understanding of the factors involved in participation is a first step towards providing solutions Using the Internet to fill the gap and build a digital democracy provides an opportunity along with several risks that need to be carefully analysed It needs to be implemented using a fully inter and trans disciplinary perspective The six contributions included in this State of the Art Survey present research in the field of social sciences as well as mathematics and computer science and aim at contributing to a better understanding of the potential and dangers of digital democracy helping readers go beyond the misunderstandings the misconceptions and the conceptual and practical abuses that the very notion of democracy is undergoing during this age of technological revolution and social turmoils

Conventional Versus Non-conventional Political Participation in Turkey Cristiano Bee, Ayhan Kaya, 2018-12-07 This book focuses on the emergence of different forms of civic and political activism in Turkey It has taken into account different components of active citizenship specifically looking at the development of civic and political forms of activism that bridge the realms of conventional and non conventional participation Focusing on the effects of the 2013 Gezi Park protests which originated in Istanbul but spread throughout the country this book reflects on how this experience might re orient current on civic and political participation in Turkey Specifically focusing on the main dynamics of non conventional forms of civic and political activism this volume attempts to understand the impact of non conventional forms of political participation on voting behaviour The internal domestic conditions of the country as well as its role in the international arena have dramatically changed since 2013 and are constantly evolving due to the domestic societal and political cleavages and the regional problems in the Middle East Yet the

papers in the book reflect upon the significance of occupygezi nowadays demonstrating not only its importance in questioning the link between the patrimonial state and its citizens but also for stimulating participatory behaviours The chapters originally published as a special issue in Turkish Studies

Political Engagement of the Young in Europe Peter Thijssen, Jessy Siongers, Jeroen Van Laer, Jacques Haers, Sara Mels, 2015-12-14 Although many scholars are convinced of the apparent civic disengagement of youth others suggest that civic participation of young people is stable and increasingly expressed through non institutionalized forms of practicing politics This book makes a key contribution to this discussion by asking whether the decline or shift paradigm is sufficient in understanding political participation of the youth It argues that we need to move beyond this framework and develop a renewed reflection on the meaning of civic and political engagement It asks crucial questions such as How can the young be educated into assuming civic and political responsibility Why and how do young people engage in social and political action How do the principal mediating institutions education media and the family contribute to new or different forms of youth civic engagement This text contains contributions from acknowledged specialists such as Constance Flanagan Mark Elchardus Marc Hooghe and Bert Klandermans and will be of key interest to students and scholars of youth and young citizens civic political involvement European politics youth studies sociology political participation and electoral behaviour

The SAGE Encyclopedia of Political Behavior Fathali M. Moghaddam, 2017-05-03 The SAGE Encyclopedia of Political Behavior explores the intersection of psychology political science sociology and human behavior This encyclopedia integrates theories research and case studies from a variety of disciplines that inform this established area of study

Elgar Encyclopedia of Political Sociology Maria Grasso, Marco Giugni, 2023-12-11 This comprehensive and authoritative Encyclopedia featuring entries written by academic experts in the field explores the diverse topics within the discipline of political sociology By looking at both macro and micro components questions relating to nation states political institutions and their development and the sources of social and political change such as social movements and other forms of contentious politics are raised and critically analysed
