Social and historical sciences, philosophy and religion Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library
Association, 1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas
Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history
to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been
completely updated with additional material in economics business and management Gender in the Political Science
Classroom Ekaterina M. Levintova, Alison Kathryn Staudinger, 2018-07-12 A collection of studies examining the role of gender
in teaching and learning in the traditionally male dominated field of political science Gender in the Political Science
Classroom looks at the roles gender plays in teaching and learning in the traditionally male dominated field of political
science The contributors to this collection bring a new perspective to investigations of gender issues in the political behavior
literature and feminist pedagogy by uniting them with the Scholarship of Teaching and Learning SoTL The volume offers a
balance between the theoretical and the practical and includes discussions of issues such as curriculum class participation
service learning doctoral dissertations and professional placements The contributors reveal the discipline of political science
as a source of continuing gender based inequities but also as a potential site for transformative pedagogy and partnerships
that are mindful of gender While the contributors focus on the discipline of political science their findings about gender in
higher education are relevant to SoTL practitioners other social science disciplines and the academy at large A bold and
compelling collection that asks important questions about the ways in which the teaching of Political Science reproduces
gender inequities Aeron Haynie **Handbook on Teaching and Learning in Political Science and International**
