Recipe Yogurt Sauces:

100 Recipes America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook. We have countless recipes at our disposal today, but what are the real keepers—the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen? At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: *100 Recipes Everyone Should Know How to Make*. Organized into three recipe sections—Absolute Essentials, Surprising Essentials, and Global Essentials—each recipe is preceded by a thought-provoking essay that positions the dish. For example, "Treating Pasta Like Rice Simplifies Everything," "A Covered Pot Is a Surprisingly Good Place to Roast a Chicken," and "Reimagine Pie in a Skillet to Simplify the Process." You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff, genius techniques for producing amazing flavor (try poaching chicken breasts over a garlic and soy-spiked brine), trust us, it's that good, and familiar favorites reinvigorated (the best beef stew comes from Spain and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography shot right in the test kitchen accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, *100 Recipes Everyone Should Know How to Make* provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen.

Flavors from Home Aimee Zaring, 2015-03-20 Recipes from Hungary, Vietnam, Bosnia, Bhutan, and more that document the international language of all people's food and cooking. Maggie Green, author of *The Kentucky Fresh Cookbook*. Each year, the United States legally resettles refugees who have fled their homelands driven out by violence or persecution. As they and their families struggle to adapt to a new culture, the kitchen often becomes one of the few places where they are able to return home, finding comfort in an unfamiliar land, retaining their customs, reconnecting with their past, and preserving a sense of identity. In *Flavors from Home*, Aimee Zaring shares fascinating, moving stories of courage, perseverance, and self-reinvention from Kentucky's resettled refugees. Each chapter features a different person or family and includes carefully selected recipes from places like Cuba, Iraq, Iran, and Somalia. These traditional dishes have nourished both body and soul for people like Huong CoCo Tran, who fled South Vietnam in 1975 when Communist troops invaded Saigon, or Kamala Pati Subedi, who was stripped of his citizenship and forced out of Bhutan because of political and religious persecution. Whether shared at farmers' markets, restaurants, community festivals, or simply among friends and neighbors, these dishes contribute to the ongoing evolution of American comfort food, just as the refugees themselves are redefining what it means to be American. Featuring more than forty recipes from around the globe, *Flavors from Home* reaches across the table to explore the universal language of food. Scrumptious! In addition to accessible culinary instruction on an array of global recipes, readers receive the vivid life histories of the cooks themselves. What comes through most poignantly is the

resilience and hope of these cooks people who change the place they've come to as much as they are changed by it Neela Vaswani author of *You Have Given Me a Country*
