Swindoll, 2011-02-14 It's never too late. Whether you're a new Christian or you've walked the road for decades, it's never too late to find the critical truths that make life make sense. We often start out believing that common sense will be enough that we're prepared for the road ahead with our good values and quick thinking. It doesn't take long to learn otherwise. A broken friendship. An obsessive career. Financial distress. Even empty success. We come back to God searching for insight, for hope. And He provides. Nothing can replace studying the Bible. Best-selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts. But if sixty-six books seem overwhelming, *The Owner's Manual for Christians* is the perfect starting place, a biblical summary of the major truths that anchor the Christian life. From grace to freedom, these chapters walk the reader through the keys to a life well lived, drawn from the Creator of life itself. Life is often confusing, but it does not have to be impossible. Read *The Owner's Manual for Christians* and find hope for the road ahead. *YOU: The Owner's Manual for Teens* Michael F. Roizen, Mehmet Oz, 2011-06-07 A few years ago we wrote *YOU: The Owner's Manual* which taught people about the inner workings of their bodies and how to keep them running strong. But you know what? There's a big difference between an adult's body and your body. Between adults' health mysteries and your health mysteries. Between their questions and your questions. So teens, this book is for YOU. We'll talk to you about the biological changes that are happening in your brain and your body. We'll show you how to get more energy, improve your grades, protect your skin, salvage more sleep, get fit, eat well, maximize your relationships, make decisions about sex, and so much more. In fact, in these pages we answer hundreds of your most pressing health-related questions. And you know what else? We are going to treat you like adults in one very important way. We're not going to preach. We're going to give you straight-up information that you can use to make smart choices about how to live the good life and enjoy every second of it. Starting right now.
