abiding interest not least the clash between the authoritarian personality of Pentheus who embodies law and order masculine prowess and the martial ethos of his city and Bacchus a somewhat effeminate god of orgiastic excess who revels in the delusional and the deceptive the transgression of boundaries and the blurring of gender distinctions This course book offers a wide ranging introduction the original Latin text study aids with vocabulary and an extensive commentary Designed to stretch and stimulate readers Gildenhard and Zissos s incisive commentary will be of particular interest to students of Latin at AS and undergraduate level It extends beyond detailed linguistic analysis to encourage critical engagement with Ovid s poetry and discussion of the most recent scholarly thought
