of intelligence officers with an iron fist but is considered an uncommonly successful spymaster by Moscow he and Edgar Davies have been reunited the mayor of Montevideo is a Soviet illegal and Molotov has managed to ingratiate himself with the stewards of the Platte River Yacht Club an important members only purveyor of sailing gastronomy sports and social events Davies however rather than continue to feed the Soviets British secrets as he had in the past has become disenchanted with his life s work and wants to defect to the Soviet Union There he tells the Rezident he envisages a new life with new important friends in a vibrant beautiful capital city he has never even visited He doesn t dare whisper its name or even utter its simple two syllable name except to his wife and to his handler though he claims he can often see clearly in his mind the many picture postcard views of its skyline he has so often admired The intricate chilling details of the eventual betrayal of the MI6 officer by Soviet intelligence ends climactically in faraway Moscow
