## Appendix A

Some academic disciplines and courses include tables and figures near where they are referenced in the main text, while others require that tables and figures appear in the Appendix section. Disciplines and courses that allow researchers to integrate tables and figures into the main text of the paper may require that each table and figure appear on a separate page and may ask that tables, table notes, and figure captions use the same 1-inch margins and double-spaced Times New Roman font featured elsewhere in the paper. Other disciplines and courses may allow for design choices regarding font size, line spacing, and alignment for the sake of readability (as shown in Table 1 and Figure 1 earlier in this paper).

A paper may include just one appendix, labeled Appendix and titled appropriately (e.g., Demographic Information or Tables and Figures). Use multiple appendices (labeled Appendix A, Appendix B, Appendix C...) when dealing with
