François Cooren, Peter Stücheli-Herlach, 2021-08-23 Management communication encompasses a wide range of practices that
define modern organizations. Those practices are in many respects constituted, formed and contextualized by the use of
language. This handbook traces the theoretical modelling of these practices by contemporary research. It explores their
linguistic features and performance in specific situations of value creation and in various modes. It is a companion for
students and scholars of applied linguistics and organizational communication as well as management and strategy research.
