Cançado Trindade's major doctrinal contribution His great achievement at the International Court of Justice has been to draw attention to this dimension and to further its development in the international case law in the light of the universal juridical conscience and stressing the relevance of general principles of international law In a significant number of cases the World Court acts today as a human rights court dealing increasingly albeit under the traditional umbrella of inter State disputes with situations that involve human suffering and lead it to find human rights violations We also offer this title as part of a 3 volume set isbn 9789004375048

Murderous Consent Marc Crépon, 2019-05-07 Winner 2002 French Translation Prize for Nonfiction Murderous Consent details our implication in violence we do not directly inflict but in which we are structurally complicit famines civil wars political repression in far away places and war as it is classically understood

Marc Cr pon insists on a bond between ethics and politics and attributes violence to our treatment of the two as separate spheres We repeatedly resist the call to responsibility as expressed by the appeal by peoples across the world for the care and attention that their vulnerability enjoins But Cr pon argues that this resistance is not ineluctable and the book searches for ways that enable us to mitigate it through rebellion kindness irony critique and shame In the process he engages with a range of writers from Camus Sartre and Freud to Stefan Zweig and Karl Kraus to Kenzaburo Oe Emmanuel Levinas and Judith Butler The resulting exchange between philosophy and literature enables Cr pon to delineate the contours of a possible impossible ethicosmopolitics an ethicosmopolitics to come Pushing against the limits of liberal rationalism Cr pon calls for a more radical understanding of interpersonal responsibility Not just a work of philosophy but an engagement with life as it s lived Murderous Consent works to redefine our global obligations articulating anew what humanitarianism demands and what an ethically grounded political resistance might mean [Tout savoir sur le nucléaire](#) Aurore
