Stories, Senses and the Charismatic Relation Jamie Barnes, 2020-10-13 Stories Senses and the Charismatic Relation offers a uniquely intimate and auto ethnographic exploration of Christian experience rendering a deep phenomenological account of how devotional worlds become real how they are experienced shaped constituted and performed by those who live them The book starts from a reflexive exploration of the author s own experiences of the divine considers the spiritual journeys of family members and the spiritual community of which he was a part and draws on ethnographic fieldwork in the southern Balkans where that community was based Jamie Barnes considers three main elements firstly the role that sensory aspects of experience play in constituting one s lived world and one s ideas about the kinds of beings inhabiting it secondly how stories and metaphors are tactically employed not only in the process of expressing aspects of past experience but also in shaping and forming both desired worlds and future pathways thirdly how such sensed narrated and lived worlds are tentatively held together in hope trust and love through charismatic relationships of devotion with a divine Other This unusual and innovative ethnography offers a unique and reflexive view from within the world of Christian experience

Baptism Jim Petty, Miles Cotham, 2022-11-11 In this study Jim Petty and Miles Cotham have made a thorough analysis of the biblical passages concerning the purpose of baptism particularly as it relates to holiness and forgiveness The authors have looked beyond the traditional church dogmas to discover and restore the beauty and significance of the baptismal event As the doctrine of baptism is wound and entwined through other doctrines taught in the New Testament a tapestry of salvation emerges in which each doctrine is dependent on and complimentary to the others Following a careful examination of the meaning of holiness the authors have demonstrated its close affinity to baptism as seen in the practice of baptism by John the Baptist and Jesus in the preaching of the early church and in the writings of the New Testament letters In the appendix the study concludes with a selected list of quotations throughout the history of the church that includes various interpretations of the purpose of baptism Perkin Warbeck's Notebook Duke T.

Joseph Th.D.,2025-08-08 There is no sadder epitaph than I never became what I might have been In truth most people never discover their true purpose because it can only be found in the mind of the Creator Communing with the Creator is the key to manifest destiny yet so few lions take the time For years now the Lions Unchained Podcast has challenged believers to unleash their God given destiny Many lions are caught up in the demands of the day to day scouring the savanna chasing down warthogs or taking care of the cubs Consequently purposeful living becomes an afterthought and the grind becomes the norm The purpose of this book is to activate God s call on your life and equip you to do so by revealing five key concepts which are foundational for Christian success No matter where you are in life it is never too late as far as God s concerned It is time to unleash the warrior within **Encouragement from the Psalms** Dr. B,2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author

began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord **Treasures in Ink** Tisha
