Recipe Using Fresh Pineapple:

The Pineapple from Domestication to Commodification Victoria Avery, Melissa Calaresu, 2025-10-15 The pineapple's discovery by European colonisers in the late fifteenth century and its remarkable global trajectory from an early modern object of rarity, desire and horticultural innovation to a cheap canned consumable and fair trade logo today is a story of modern globalisation. *The Pineapple from Domestication to Commodification* is a wide-ranging interdisciplinary volume intended to provoke timely debate and generate radical rethinking of an overly familiar fruit with associations from luxury to kitsch. It deliberately problematizes the pineapple by investigating understudied tensions between its representational power and the historical and political contexts of its worldwide production and consumption. This connects the global and local at the heart of contemporary debates about the nature and origins of our food. It will have cross-disciplinary appeal for scholars of politics, economics, history, plant sciences, food and material culture as well as for broader audiences interested in food, gardening, the environment and visual arts.

Latin American Cooking Across the U.S.A. Himilce Novas, Rosemary Silva, 2016-12-13 In the first cookbook to encompass the full spectrum of Latin American cooking all across America today, Himilce Novas and Rosemary Silva offer 200 enticing recipes that have been drawn from the home kitchens of Americans with roots in Mexico, Puerto Rico, Cuba, Jamaica, Brazil, Argentina, Chile, Peru, Ecuador, Colombia, Guatemala and nearly every other corner of Latin America. Spicy, colorful and full of surprises, Latin flavors are the latest rage with Nuevo Latino chefs from New York to Los Angeles. But here the exotic is translated into wonderful everyday dishes that home cooks can easily master. For starters, Novas and Silva give us luscious Chilled Roasted Sweet Red Pepper and Coconut Soup or Orange Scented Roasted Pumpkin Soup and appetizers known as antojitos: little whims like Bayamo's Fried Wontons with Chorizo and Chiles or a Costa Rican Black Bean and Bacon Dip. For main courses, there are hearty delights like Piri Thomas's Chicken Asopao or a Heavenly Potato Pie with Minced Beef, Raisins and Olives. Center stage in many a meal are the rice and bean dishes with countless delicious variations on the theme like Gallo Pinto, Red Kidney Beans and Rice and Jamaican Coat of Arms, also called Rice and Peas, which are actually small red beans. And to satisfy the Latin appetite any time of day, also included here is a rich array of tamales, empanadas and other turnovers like Little Brazil Shrimp Turnovers stuffed with shrimp and hearts of palm. From Cristina, the Cuban American talk show hostess in Miami to U.S. Representative Henry B. Gonzalez of Texas, from film producers and opera singers to young students and grandmothers, the authors have gathered along with the family recipes and their origin stories of the past and of the good times celebrated in America. Novas and
