Logo suite

Button logo family

The button logo was inspired by a vintage pin as an engaging symbol of enthusiastic participation. It is a personal, grassroots and unique expression for the Red Cross. Use this logo in any of its three forms for most printed marketing and communications materials as well as television, Web and email.

Classic logo family

The classic logo should be used in disaster situations, corporate materials or when the marketing-oriented button logo is not appropriate. The wordmark can be used on its own when a button or classic logo appears in isolation elsewhere in a layout or when repetition of the full logo looking would be distracting.

Wordmark family

Print minimum sizes

Digital minimum sizes

Clear space

Clear space minimums are built into the logo files.

Separating button graphic and wordmark

As long as minimum size requirements are followed, the button can be separated from the wordmark and used on its own. Remember to include the wordmark in the viewing area.

Color proportion

Although individual pieces may vary, notice that the cumulative effect keeps the overall brand color balance.

Tone of voice

How we talk is as important as what we talk about.

Uplifting. The work we create will often be highly emotional, but never with a focus on the devastation, destruction or disaster. We want to leave people with a feeling of hope and possibility. We want them to feel that they can make a difference through the American Red Cross.

Empowering. We are a brand that helps on people—both the people we help and those who embody the Red Cross and deliver on our mission. We want everyone to feel empowered to be a part of this network, to help us make a difference in times of need.

Innately. We are open and accessible to anyone and everyone who wants to assist us in our mission. We are not intimidating or directive.

Personal. Our care is softness, not soft-selling. We treat every person as fully and everyone who helps us as an individual. We want them to feel care and compassion every time we interact with them. We are not yelling our message from the rooftops. We treat every individual with respect.
