Notary Signing Agent Certification Study Guide, 2016-04-22 *Notary Signing Agent Certification Study Guide* National Notary Association, 2015-05-04 **Notary Loan Signing Agent Comprehensive Certification Course & Reference Manual** Nancy S. Oram, 2016-10-07 NEWLY REVISED and expanded 2016 Becoming a Notary loan signing agent can change your life by offering you a new lucrative career As an independent contractor this home based business adapts to either full time or part time hours Once you become a Notary in your state all the information and training you need to become a Notary signing agent is in this very detailed and complete home study course business guide Over the last several years I've had the pleasure of coaching many new agents in all the important details required by the loan industry This course and manual is a direct result of that real time one on one coaching And once

you've completed the course it becomes a field manual to refer to as often as you need to. I feel very passionate about upholding the integrity of our dual role that of commissioned Notary Public and loan signing agent. I hope this training starts you off on a lucrative and fulfilling new career. The industry needs well-trained agents. That's you. Please note: Loan Signing Agent certification is not legally required to perform loan signings. Simply being a commissioned Notary Public is all that is legally needed to notarize any document. However, some title companies and signing agencies now require certification as proof that a notary is familiar and skilled with the process. There is no legal entity governing signing agent courses or certification. Certification only shows that you have taken a course and/or passed a final exam in a particular field of study. It does not imply any type of official or governmental licensing or certification.
