Claim:
There are different aquatic systems with diverse organisms.

Evidence	Reasoning/Justification
Aquatic ecosystems have abiotic - temp, light, salinity, depth	Different organisms can tolerate different factors
Some organisms prefer fresh water vs. saltwater. Bull sharks + manatees tolerate both	Bull sharks and manatees are very different, but tolerate same conditions
Depth reduces light and increases pressure. Organisms deal with this differently.	Many types of adaptations exist to survive in these conditions
The geography of an aquatic environment can determine the life forms present.	Continental shelf gets lots of light, so there's many living things. Not so in the abyss.
Photosynthesis takes place in the neritic zone.	It is the most productive area of the ocean. Plankton are base of food chain.
Metabolism is affected by temp. Many species are cold-blooded.	Organisms can migrate or must have adaptations to survive.

Law and Justice on the Small Screen Peter Robson, Jessica

Silbey, 2012-08-01 *Law and Justice on the Small Screen* is a wide ranging collection of essays about law in and on television. In light of the book's innovative taxonomy of the field and its international reach it will make a novel contribution to the scholarly literature about law and popular culture. Television shows from France, Canada, the United Kingdom, Germany, Spain and the United States are discussed. The essays are organised into three sections: 1. methodological questions regarding the analysis of law and popular culture on television; 2. a focus on genre studies within television programming including a subsection on reality television; and 3. content analysis of individual television shows with attention to big picture jurisprudential questions of law's efficacy and the promise of justice. The book's content is organised to make it appropriate for undergraduate and graduate classes in the following areas: media studies, law and culture, socio-legal studies, comparative law, jurisprudence, the law of lawyering, alternative dispute resolution and criminal law. Individual chapters have been contributed by among others Taunya Banks, Paul Bergman, Lief Carter, Christine Corcos, Rebecca Johnson, Stefan Machura, Nancy Marder, Michael McCann, Kimberlianne Podlas and Susan Ross with an Introduction by Peter Robson and Jessica Silbey.
