Notes From Proclaim 2014:

Development Delusions and Contradictions David Sims, 2022-12-12 This book analyses the shortcomings of the Western development aid programme Through exploring the evolution of aid over more than seven decades development is examined as an industry with a variety of motives and actors The driving forces and dynamics in the relationship between aid and economic development are highlighted in relation to faulty development structures and misaligned aims With a particular focus on Egypt radical questions are posed on how global aid and development can be improved including how it can respond to the COVID 19 pandemic This book aims to present an alternative aid framework to help overcome the dysfunctionality of the current international development system It will be of interest to researchers and policymakers working within development economics and development policy

Postfeminism in Context Margaret Henderson, Anthea Taylor, 2019-10-21 Postfeminism in Context studies the representation of women in Australian popular culture over the past three decades to locate postfeminism in a specific time and place Margaret Henderson and Anthea Taylor argue that postfeminism as a critical term has been too often deployed in ways that fail to account for historical and cultural specificity This book analyses Australian popular culture chick lit novels dramedy television shows women's magazines YouTube beauty vlogs self help manuals and newspapers to reveal the tensions contradictions and ambiguities that have always been constitutive of postfeminism including in Australia Examining how these popular forms intervene in dominant conversations about contemporary Australian femininities Postfeminism in Context maps the ways in which various aspects of Australia's history and national identity have shaped its postfeminism While Henderson and Taylor identify some of the limited postfeminist tropes and patterns of representation evident in comparable locales they also find that Australian popular culture has responded to feminism in a much more hopeful way Adding some much needed cultural specificity to the ongoing debate around this loaded term Postfeminism in Context is essential reading for those interested in Australian popular culture feminism and the gendered politics of representation

Planting Letters and Weaving Lines Jonathan Homrighausen, 2022-11-17 The illuminations of The Saint John's Bible have delighted many with their imaginative takes on Scripture But many struggle to appreciate the calligraphy more deeply than merely noting its beauty Does calligraphy mean something How is it beautiful This book written by a biblical scholar who has spent years working with this Bible shows how calligraphic art powerfully interplays visual form textual content and creative process Homrighausen proposes five lenses for this art form gardens weaving pilgrimage touching and enfleshing words Each of these lenses springs from the poetry of the Song of Songs its illuminations in The Saint John's Bible and medieval ways of understanding the scribe's craft While these metaphors for calligraphic art draw from this particular illuminated Bible this book is aimed at all lovers of calligraphy art and sacred text

sky and wondered if we are alone in the universe The Tail Wags the Dog Efraim Karsh, 2015-08-11 The continuing crisis in Syria has raised questions over the common perception of Middle Eastern affairs as an offshoot of global power politics To Western intellectuals foreign policy experts and politicians empire and imperialism are categories that apply exclusively to Europe and more recently to the United States of America As they see it Middle Eastern history is the product of its unhappy interaction with these powers Forming the basis of President Obama's much ballyhooed new beginning between the United States and Muslims around the world this outlook is continuing to shape crucial foreign policy among Western governments but in these pages Efraim Karsh propounds a radically different interpretation of Middle Eastern experience He argues that the Western view of Muslims and Arabs as hapless victims is absurd On the contrary modern Middle Eastern history has been the culmination of long existing indigenous trends Great power influences however potent have played a secondary role constituting neither the primary force behind the region's political development nor the main cause of its notorious volatility Karsh argues it is only when Middle Eastern people disown their victimization mentality and take responsibility for their actions and their Western champions drop their condescending approach to Arabs and Muslims that the region can at long last look forward to a real spring The holy Bible, authorized version, with explanatory notes by T. Scott Thomas

Scott, 1830 The Individual After Modernity Mira Marody, 2020-10-29 Moving beyond the individualisation paradigm in sociological theory this book develops an approach to the analysis of human activities and the social phenomena produced by them that centres on the processes that generate coordinated behaviours among individuals Emphasising the relational and processual character of social phenomena as well as the importance of a broader cultural and historical context for analysing them the author questions the view of contemporary society that sees individuals acting in a context in which social bonds are dissolving and unveils the rationale hidden behind the chaos of everyday activities Through an analysis of the continued importance of cooperation and the consequent emergence in society of various kinds of communities this volume examines the changing character of social ties An overview of transformation of social bonds and the intensification of mutual influences among individuals as they seek to address social dilemmas in new contexts The Individual after Modernity will

appeal to social scientists with interests in social theory **Micah** Bob Becking, 2023-06-27 A new translation and commentary on the biblical book of Micah that proposes a convincing new theory of its composition history While the biblical book of Micah is most famous for its images of peace swords forged into plowshares spears turned into pruning hooks and its passages of prophetic hope the book is largely composed of prophecies of ruin The historical Micah who likely lived in the late eighth century BCE is the first recorded prophet to predict the fateful fall of Jerusalem and he also foretells the destruction of the regions of Samaria and Judah in addition to the more well known promises of Judah's eventual restoration Bob Becking translates the Hebrew text anew and illuminates the book's most important elements including its literary features political context and composition history Drawing on ancient Near Eastern comparative evidence archaeological

notes and inscriptions Becking surveys the debates surrounding the book's interpretation and argues that it be regarded as three separate source texts: the early first chapter, a large middle section containing a proto-apocalyptic alternating prophetic futurology collected and molded by a later redactor, and an added section advocating for legal reform under Josiah.

Ukraine Over the Edge Gordon M. Hahn, 2018-02-08 The Ukrainian crisis that dominated headlines in fall 2013 was decades in the making. Two great schisms shaped events: one within Ukraine, its western and southeastern parts divided along cultural and political lines; the other was driven by geopolitical factors. Competition between Russia and the West exacerbated Ukraine's divisions. This study focuses on the historical background and complex causality of the crisis from the rise of mass demonstrations on Kiev's Maidan Nezalezhnosti (Independence Square) to the making of the post-revolt regime. In the context of a new cold war, the author sheds light on the role of radical Ukrainian nationalists and neofascists in the February 2014 snipers massacre, the ouster of President Viktor Yanukovich, and Russia's seizure of Crimea and involvement in the civil war in the eastern region of Donbass.

John Milton, Epistolarum Familiarium Liber Unus and Uncollected Letters Estelle Haan, 2019-10-14 John Milton holds an impressive place within the rich tradition of neo-Latin epistolography. His *Epistolae Familiares* and *uncollected letters* paint an invigorating portrait of the artist as a young man offering insight into his reading programme, his views on education, friendship, poetry, his relations with continental literati, his blindness, and his role as Latin Secretary. This edition presents a modernised Latin text and a facing English translation complemented by a detailed introduction and a comprehensive commentary. Situating Milton's letters in relation to the classical pedagogical neo-Latin and vernacular contexts at the heart of their composition, it presents fresh evidence in regard to Milton's relationships with the Italian philologist Benedetto Buonmattei, the Greek humanist Leonard Phylaras, the radical pastor Jean de Labadie, and the German diplomat Peter Heimbach. It also announces several new discoveries, most notably a manuscript of Henry Oldenburg's transcription of Ep. Fam. 25. This volume fills an important gap in Milton scholarship and will prove of particular use to Milton scholars, students, philologists, neo-Latinists, and those interested in the humanist reinvention of the epistolographic tradition.

US Foreign Policy and Global Standing in the 21st Century Efraim Inbar, Jonathan Rynhold, 2016-01-13 This book examines US foreign policy and global standing in the 21st Century. The United States is the most powerful actor in world politics today. Against this backdrop, the present volume examines how the foreign policies pursued by Presidents George W. Bush and Barack Obama have affected elite and public perceptions of the United States. By examining America's standing from the perspective of different actors from across various regions, including China, Russia, Latin America, and the Middle East, while also assessing how these perceptions interact with America's own policies, this book presents a fresh interpretation of America's global standing. In doing so, the volume evaluates how these perceptions affect the realities of US power and what impact this has on moulding US foreign policy and the policies of other global powers. A number of books address the question of which grand strategy the United States should adopt, and the issue of whether or not America is in

relative decline as a world power However the debate on these issues has largely been set against the policies of the Bush administration By contrast this volume argues that while Obama has raised the popularity of America since the low reached by Bush America's credibility and overall standing have actually been damaged further under President Obama This book will be of much interest to students of US foreign policy US national security strategic studies Middle Eastern politics international relations and security studies generally

Security, Ethnography and Discourse Emma Mc Cluskey, Constadina Charalambous, 2021-12-24 This interdisciplinary book analyses different contexts where security concerns have an impact on institutional or everyday practices and routines in the lives of ordinary people Creating a dialogue between the fields of International Relations Peace and Conflict Studies Sociolinguistics Education and Anthropology this book addresses core themes associated with conflict and security peacebuilding refugee settlement nationalism surveillance and sousveillance and examines them as they manifest in everyday spaces and practices Seven empirical studies are presented that bring ethnographic and or close up interactional lenses to practices of security in schools refugee centres care homes city streets and roadsides Drawing on fieldwork and data from Cyprus Bosnia Herzegovina Sweden Germany and the US the chapters explore what notions of suspicion peace conflict and threat mean and how they are manifested in people's lived experiences This book will be of much interest to students of Critical Security Studies Anthropology Sociology Sociolinguistics and International Relations in general

Dictionary of Paul and His Letters InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today

Routledge Handbook of Public Aviation Law Paul Stephen Dempsey, Ram S Jakhu, 2016-07-15 The Routledge Handbook of Public Aviation Law is the first book to incorporate a comprehensive analysis of Public Aviation Law principally international but also domestic law in a comparative context in a single volume International Law is pervasive in Aviation Law and is incorporated into a number of major multilateral treaties e.g the Chicago Convention of 1944 for Public International Air Law This is supplemented by various Annexes promulgated by the International Civil Aviation Organization and Conventions and Protocols promulgated by States in diplomatic conferences States then implement these international obligations in domestic laws that create aviation regulatory administrations that in turn promulgate regulations Bringing together leading scholars in the field this prestigious reference work provides a comprehensive and comparative overview of Public Aviation Law It surveys the state of the discipline including contemporary and emerging areas of law regulation and public policy in air transportation Each chapter begins with an overview of the international law applicable to the subject matter followed where appropriate by a comparative examination of domestic statutes regulations and jurisprudence The objective of the book is to identify and summarize existing areas within the context of international research and to identify and highlight emerging areas Both practical and

theoretical in scope the Routledge Handbook of Public Aviation Law will be of great relevance to scholars researchers lawyers and policy makers with an interest in aviation law
