

FINANCIAL LITERACY FINAL EXAM

Creating exams can be time-consuming!

I have learned that content is fairly consistent teacher to teacher and across curricula for **Financial Literacy and Personal Finance** courses.

If you are new to teaching Fin Lit - it is useful to **buy an exam upfront** to preview what content you need to cover. **In the spirit of backward design**, determine early on what YOU need your students to know for their success and yours!

Or maybe you just need to update your current exam?

Personal Transferable Skills in Accounting Education RPD Kim Watty,Beverley Jackling,Richard M.S. Wilson,2014-07-16 The development of generic skills often referred to as soft skills in accounting education has been a focus of discussion and debate for several decades During this time employers and professional bodies have urged accounting educators to consider and develop curricula which provide for the development and assessment of these skills In addition there has been criticism of the quality of accounting graduates and their ability to operate effectively in a global economy Embedding generic skills in the accounting curriculum has been acknowledged as an appropriate means of addressing the need to provide knowledge professionals to meet the needs of a global business environment *Personal Transferable Skills in Accounting Education* illustrates how generic skills are being embedded and evaluated in the accounting curriculum by academics from a range of perspectives Each chapter provides an account of how the challenge of incorporating generic skills in the accounting curriculum within particular educational environments has been addressed The challenges involved in generic skills development in higher education have not been limited to the accounting discipline This book provides examples which potentially inform a wide range of discipline areas Academics will benefit from reading the experiences of incorporating generic skills in the accounting curriculum from across the globe This book was originally published as a themed issue of *Accounting Education* an international journal

Consequences of Economic Downturn M. Starr,2016-04-30 The 2007 09 financial crisis and economic downturn inflicted considerable hardship on the U S population This book argues that the financial crisis and ensuing recession reflected not just a malfunctioning of the financial system but also inequalities and insecurities in access to livelihoods that favor well off groups and leave ordinary people shouldering undue burdens of downside risk This book a collection of original papers by leading social economists and scholars in related fields examines social distributional and ethical dimensions of the downturn It should be of broad interest to the social science and economic policy communities
