dreams the attacks are only going to get worse Taggart has promised to train Adri but he's got even more enemies than she does and there's no guarantee that he'll be able to keep her from being caught in the crossfire More than anything else Adri wants to talk to shape shifter Alec Graves but he's gone strangely silent There's no way for Adri to know if that's because he's no longer interested in her or if it's simply because he's still on the run from his ruthless father Kaleb As enemies both new and old start closing in on Adri she's starting to worry that she might be forced into choosing between Taggart the man who saved her life and Alec the guy to whom she feels inexplicably connected

Publisher's Note Dean Murray's ongoing Reflection Series has been a stunning success with more than half a million copies in circulation and a rich complex world where choices right or wrong have real profound consequences Unsatisfied with the restrictions imposed on him by writing inside of the conventional series structure Dean has returned to Sanctuary and the characters so many fans have fallen in love with The Dark Reflections Series is an alternate timeline set in the same world and featuring many of the same characters as the Reflections Series but with a profoundly different backstory
