Person Of Interest Episode Guide:

Where is Adaptation? Casie Hermansson, Janet Zepernick, 2018-10-15 *Where is Adaptation* Mapping cultures texts and contexts explores the vast terrain of contemporary adaptation studies and offers a wide variety of answers to the title question in 24 chapters by 29 international practitioners and scholars of adaptation both eminent and emerging From insightful self analyses by practitioners a novelist a film director a comics artist to analyses of adaptations of place culture and identity the authors brought together in this collection represent a broad cross section of current work in adaptation studies From the development of technologies impacting film festivals to the symbiotic potential of interweaving disability and adaptation studies censorship exploring the glocal and an examination of the Association for Adaptation Studies at its 10th anniversary the original contributions in this volume aim to trace the leading edges of this evolving field [TV Guide](#), 2006 [Gale Guide to Internet Databases](#) Joanna Zakalik, 1995 Fast access to 2 000 authoritative Internet information sites each fully described 5 easy to use indexes master index to more than 8 000 individual Internet files Includes a list of specialized home pages Internet glossary and bibliography Cover *The Invisible Hand in Popular Culture* Paul Arthur Cantor, 2012-11-05 Popular culture often champions freedom as the fundamentally American way of life and celebrates the virtues of independence and self reliance But film and television have also explored the tension between freedom and other core values such as order and political stability What may look like healthy productive and creative freedom from one point of view may look like chaos anarchy and a source of destructive conflict from another Film and television continually pose the question Can Americans deal with their problems on their own or must they rely on political elites to manage their lives In this groundbreaking work Paul A Cantor explores the ways in which television shows such as *Star Trek* *The X Files* *South Park* and *Deadwood* and films such as *The Aviator* and *Mars Attacks* have portrayed both top down and bottom up models of order Drawing on the works of John Locke Adam Smith Alexis de Tocqueville and other proponents of freedom Cantor contrasts the classical liberal vision of America particularly its emphasis on the virtues of spontaneous order with the Marxist understanding of the culture industry and the Hobbesian model of absolute state control *The Invisible Hand in Popular Culture* concludes with a discussion of the impact of 9 11 on film and television and the new anxieties emerging in contemporary alien invasion narratives the fear of a global technocracy that seeks to destroy the nuclear family religious faith local government and other traditional bulwarks against the absolute state **Mainstreaming Gays** Eve Ng, 2023-09-15 *Mainstreaming Gays* discusses a key transitional period linking the eras of legacy and streaming analyzing how queer production and interaction that had earlier occurred outside the mainstream was transformed by multiple converging trends the emergence of digital media the rising influence of fan cultures and increasing interest in LGBTQ content within commercial media The U S networks Bravo and Logo broke new ground in the early 2000s and 2010s with their channel programming as well as bringing in a new cohort of LGBTQ digital content creators providing unprecedented

opportunities for independent queer producers and hosting distinctive spaces for queer interaction online centered on pop culture and politics rather than dating These developments constituted the ground from which recent developments for LGBTQ content and queer sociality online have emerged Mainstreaming Gays is critical reading for those interested in media production fandom subcultures and LGBTQ digital media
