Six-Component Universal Remote

Congratulations on your purchase of this six-component universal remote. This universal remote controls up to six electronic components and makes logging remote controls a thing of the past. Your remote is guaranteed to work with all brand-name components. This remote is unusually versatile because it has over 4000 keys that you can program to control any video component. The six-component universal remote is easy to use, fun to program, and gives you control in the touch of a button.

CODE BOOK

programming information is in the manual and code book in the remote. Please read the

page for programming information. It is already programmed to control most RCA, LG, and JVC components. Just press the corresponding key. For other brands, see the TV, for video, and VIDEO, for

Use and Information

For more information, see the manual and code book in the remote. Please read the

Insert the Batteries

1. Remove the battery compartment cover.
2. Insert the batteries, matching the (+) and (-) marks inside the battery compartment.
3. Push the battery cover back into place.

When you are replacing batteries, try not to press any key after you've taken the old batteries out. Pressing any while replacing batteries causes the remote to lose the programming you've programmed. This will need to program the remote again.

Battery Precautions

- Do not mix old and new batteries.
- Do not mix alkaline, standard (non-rechargeable), or rechargeable (nickel-cadmium) batteries.
- Always insert old, used, or worn batteries properly and upside or down of them in accordance with Local and National Regulations.

Battery Saver

Your universal remote control saves battery power by automatically turning off any key is pressed for more than 60 seconds. This saves your battery life should your remote get stuck in a place where the keys remain depressed, such as between your cushions.

Care and Maintenance

- Keep the remote dry. If it gets wet, wipe it dry immediately.
- Use and store the remote only in normal temperatures.
- Handle the remote gently and carefully. Don't drop it.
- Store the remote away from dust and dirt.
- Wipe the remote with a damp cloth occasionally to keep it looking new.
- Modifying or tampering with the remote's internal components, without authorization and in violation of warranty.
