Reading Body Language Edward Machiavelli, 2020-02-27 ARE YOU READY TO DISCOVER MORE ABOUT Reading Body Language? This will be your comprehensive guide to being able to analyze bodily signals in various situations and relationship types. A few of the situations and relationship types included in this book will cover dating, personal relationships, and work relationships. You will be able to recognize how the different body parts express a person's true desire as well as how they feel towards other people or situations that they are in. For example, if you are dating a person and you notice her playing with her hair, that means that she is interested in you and is trying to flirt with you. If she leans in towards you, she is trying to let you know that she is very comfortable being around you or that you seem very interesting to her. A few of the other

subjects covered in the chapters will include Secrets of reading body language A few tips and tricks to help you accurately tell the meanings behind the actions of various kinds of people Being able to read both facial expressions and micro expressions Reading hand movements Analyzing leg movements Various types of personalities so that you will have a thorough understanding of each of them Once you have finished reading the book Reading Body Language you will have the upper hand as compared to others when it comes to knowing what is going on and how people truly feel based on what their bodies say Having the ability to read body language is not an easy task and requires a lot of practice in order to become accurate in your readings While learning you must also keep in mind that there is more than one meaning for the same kind of movements Not only that but you must take into consideration any cultural differences as a positive meaning in one culture could ultimately be negative for another
