Sexual Power Words Nick:

Nick's Tender Rogue Christine Young,2022-07-03 Once a McClellan lass Beautiful naughty and audaciously daring young Nickie Gray is a McClellan princess through and through as wild and reckless as the most incorrigible of her male cousins Now that she has reached a marriageable age Nickie has set her amorous sights on a most unsuitable male the notorious rake and womanizer known to all mamas on the debutante scene in London as dangerous When her chaperone tells her all rakes are off limits she finds the challenge one she sets her mind to Always a McInnis rake Not expecting to find a ravishing woman throwing herself at him yet blatantly willing to accept whatever overtures she makes handsome Collin McInnis is thrilled by the brazen escapades of this na ve creature and is willing to experience her high spirited advances with no expectations of commitment On the high seas he is bested by a vivacious beauty whose love of freedom and adventure rivals his own and by an inescapable tidal wave of passion that threatens to engulf them both **The Etherized Wife** Leslie Margolin,2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men s expectations What is particularly striking about this bias is that it contradicts therapists overt identification with feminism and the battle against women s inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline s own literature the articles and books that have been and continue to be treated as exemplars of the discipline s collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man s side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality The Superman Syndrome--The Magic of Myth in The Pursuit of Power Gene N. Landrum,2005 The Positive Mental Moxie of Myth for Personal Growth Joseph Campbell defined a myth as a life shaping image a metaphor that creates a hero out of those who heed it Author Dr Gene Landrum takes Campbell s definition one step further by offering a variety of motivational techniques that will propel you to heroic success Dr Landrum describes the superman syndrome as a series of common behaviors that permit an otherwise average person to rise above the norm He points out that some of the world s most renowned visionaries Catherine the Great Walt Disney and Ian Fleming did not conform to tradition because they modeled their behavior on heroic ideals and mythical mentors Learn how to transform your life from ordinary to extraordinary by focusing on several key ideas Chasing money is entropic and the path to the poorhouse Happiness is a side effect of being never trying Romance only comes to those not trying to find romance Anxiety is a by product of unrealistic expectations Breakdown leads to breakthrough Being stupid is the pathway to being smart Do you have the Superman Syndrome Test yourself to find out Translation and Bilingual Dictionaries Chan Sin-wai,2013-02-06 Is the bilingual dictionary really the translator s best friend Or is it the case

that all translators hate all dictionaries The truth probably lies half way It is difficult to verify anyway as the literature on the subject s is limited not helped by the fact that Lexicography and Translation have stood apart for decades despite their commonality of purpose Here is a volume based on the proceedings of a successful conference at Hong Kong that may at last provide some answers Sexuality in Literature for Children and Young Adults Paul Venzo,Kristine Moruzi,2021-06-08 Expanding outward from previous scholarship on gender queerness and heteronormativity in children s literature this book offers fresh insights into representations of sex and sexuality in texts for young people In this collection new and established scholars examine how fiction and non fiction writing picture books film and television and graphic novels position young people in relation to ideologies around sexuality sexual identity and embodiment This book questions how such texts communicate a sense of what is possible impossible taboo or encouraged in terms of being sexual and sexual being Each chapter is motivated by a set of important questions How are representations of sex and sexuality depicted in texts for young people How do these representations affect and shape the kinds of sexualities offered as models to young readers And to what extent is sexual diversity acknowledged and represented across different narrative and aesthetic modes This work brings together a diverse range of conceptual and theoretical approaches that are framed by the idea of sexual becoming the manner in which texts for young people invite their readers to assess and potentially adopt ways of thinking and being in terms of sex and sexuality *The Fairy Godmentor's Advice for Women Like Us* Judith Ann Spector,2010-04-15 This collection of stories with accompanying essays is meant for all readers who are or who might be interested in women like us The readers will encounter allegories both Jungian and socio political classic fairytales cheerfully allowed to subvert themselves or lured towards unexpected new completions dream narratives and diverse chick lit stories gone grippingly awry
