Sisters and Lovers Megan Jennaway,2002-11-19 The Balinese devotion to their temples is both legendary and conspicuous but the ways in which they enshrine their innermost desires have long been hidden This ethnography draws back the veil by focusing on the romantic experiences of women in a rural village Punyanwangi in North Bali from adolescence to maturity Delving into the intensity of passion that exists just below the harmonious veneer of traditional patterns of courtship and marriage motherhood and connubial fidelity this book overturns Margaret Mead s assertions of passivity in Balinese social life Punyanwangi s proximity to a thriving tourist center allows Megan Jennaway to explore as well the striking gender disparities in the ways sexuality and desire are culturally mediated Aside from service work women are excluded from entering the tourist domain yet male sexual adventurism is expected and even encouraged The bodies of foreign women are thus invested with potent fantasies of exotic desire while those of local women are muted denied legitimate avenues of expression The author invokes Post Freudian and feminist concepts of sexuality to explain culturally specific psychiatric disorders to which Balinese women are prone interpreting them as expressions of frustrated desire She thus convincingly reveals Balinese society as anything but unemotional or stagnant Rather it is swept along by currents of emotionally charged desire By allowing key informants to tell their stories in their own voices and by skillfully interweaving fictionalized interludes the author gives us not only a rigorously researched ethnography but an intimate and fully realized portrait of Balinese women s innermost desires

**Sexual Regulation and the Law, A Canadian Perspective** Richard Jochelson,2019-11-01 Does Canada need any more collections about legal regulation of sex and sexuality Volumes exist dealing with sex work and pornographies Certainly volumes abound dealing with emerging sexualities in Canada and new sexual freedoms This book

seeks to do more than tell a story of broad generalities about the law It forges the links between the history of law and modern iterations of judgments pertaining to that law Hence the uncomfortable line between Victorian morality often and modern regulation is thematically explored through the book More modern iterations of sexual regulation in Canada are being deployed and in this book the authors explore the interplay between emerging digital technologies and legal regulation Newer laws in Canada have been drafted to recognize that sexual expression can be a means of violence inherently and thus an exploration of modern sexual digital expression and its emerging jurisprudence represent a new frontier in the regulation of sex and sexuality in Canada We explore how legal regulation has responded to these new crimes      **PC Mag** ,1992-06-30 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology      PC Mag ,1992-09-15 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology      PC Mag ,1992-10-13 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology      *Cinefantastique* ,2003      **PC Magazine** ,1993-05 Billboard ,2009-12-05 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
