My pretest score was 40% and my post test score was 80%. I reviewed all the material provided and after I completed each section I reviewed each review section thoroughly.

2. What subject areas did you find you were most knowledgeable in? What factors do you think impacted your performance in these areas?

In the pre-test I did the best on Leadership Development Succession. In the post-test I was the most knowledgeable in Charismatic & Transformation Leadership, Contingency Leadership, and Leadership styles. I don't know why I did better on Leadership Development Succession on the pre-test except I did so poorly on the other sections. During the modules, I liked the sections discussing Charismatic & Transformation Leadership, Contingency Leadership and Leadership Styles. I also think I did better on these sections because of some of the research articles I read for the Discussion assignment. The modules reminded me of what I had ready.

3. What subject areas did you find most challenging? What factors do you think impacted your performance in these areas? What is your greatest area(s) for improvement?
