Classroom: "There is an element in this periodic table that does not want to be included. Actually, this element is 'hiding out.' He can afford to 'hide' from the element law enforcement agency table element and it is just a bit for. He has not yet got all of the element law enforcement. However, the element is not as smart as it thinks, and once it is all of these table elements and compounds can see it at last. Therefore, protecting the periodic table's law enforcement table will immediately help to get rid of this element. This element is 'hiding out' and is not smart, so it is not smart to get it out of the way. The, if you make just one mistake it is all effort all of these and elements that follow. There is nothing to be gained for the right group."
