Multi-level management involvement is generally only implemented following requests from below to address existing and emerging HR issues and the opportunity to build trust and affinity with employees receiving training from their immediate manager. Encouraging and facilitating in this manner promotes effectiveness within the organization and the sense of progression of the employee's career, and the ability to handle more complex situations. When an employee can influence the future of their career, they will be more motivated and will also understand their impact on the organization and its future.

...and the other produced another interesting and well-written booklet on the last day of each month. The children read, listened and sometimes responded and sang songs throughout the day with gusto. Each morning was spent with them. The day following, however, was devoted to the children's own papers, notes, etc. The day after that, a general assembly, from which the program general assembly moved to the main hall. The day after that, the children's papers were read.
