Sexual Wandering And Pandering Through Life English Edition:

Sexual Wandering and Pandering Through Life Tim Martin, 2004-05 This highly erotic and sensual book with graphic and lurid detail told over and over again in different countries about women of those countries will appeal to probably a narrow segment of the readership Few will admit to desiring to read such material It is for those readers who get the Penthouse Hustler Playboy etc magazines in the brown paper wrappers delivered to their door steps and who look at and enjoy repeatedly the pictures of the fantastic looking women Many people live a very narrow restricted life to at least give the outward appearance of adhering to all the Christian principles and rules but they would really like an adventure This book gives that to them in a private way They can purchase read and enjoy in private and when they are smiling they can say whatever they want Although the data is factual some people will not believe anyway some will be horrified and others will enjoy The latter group is the target group for the book I am not promoting a lifestyle I am just writing a book for armchair adventures to read and to enjoy in the sanitary safety of their boring homes Maybe the book could better be titled Along the Road to Perdition I encountered some interesting situations But then that just cleans up the title and perhaps misleads the readers
