 Graham,1999-03-01 The Japanese tea ceremony is generally identified with chanoyu and its bowls of whipped powdered
 green tea served in surroundings influenced by the tenets of Zen Buddhism Tea of the Sages is the first English language
 study of the alternate tea tradition of sencha At sencha tea gatherings steeped green leaf tea is prepared in an atmosphere
 indebted to the humanistic values of the Chinese sages and the materialistic culture of elite Chinese society during the Ming
 and Qing dynasties Although sencha once surpassed chanoyu in popularity it is now overshadowed by chanoyu despite the
 existence of more than a hundred sencha schools throughout Japan This exceptionally well illustrated volume explores
 sencha s philosophy and arts from the seventeenth century to the present Introduced by Chinese merchants and scholar
 monks sencha first gained favor in Japan among devotees of the Chinese literati By the early nineteenth century it had
 become popular with a wide spectrum of urban and rural residents Some took up sencha as a subversive activity in
 opposition to the mandated protocol of chanoyu Others enjoyed sencha because of its connections with elite Chinese culture
 knowledge of which indicated intellectual and cultural refinement Still others relished it simply as a fine tasting beverage
 Sencha inspired painters and poets and fostered major advances within craft industries from ceramics to metalwork and
 basketry Sencha aficionados many of whom became serious connoisseurs of Chinese art and antiquities hosted some of the
 earliest public art exhibitions Tea of the Sages opens with a chronological overview of tea in China and its transmission to

Japan before situating sencha within the rich milieu of Chinese material culture available in early modern Japan Subsequent chapters outline the multifaceted history of the formalization of the sencha tea ceremony drawing upon sources such as treatises and less formal writings as well as analysis of tea gathering records utensils and their prescribed arrangements paintings prints and sencha architecture
