

ROLEX

### **Position 2**

Couronne tirée au premier cran. Rotation indépendante de l'aiguille des heures, par sauts d'une heure, en avant ou en arrière. L'aiguille des minutes et celle des secondes continuent leur marche de sorte que l'heure exacte n'est pas affectée par la manœuvre de changement de fuseau horaire.

Correction de la date par déplacement de l'aiguille normale des heures, en avant ou en arrière. La date change tous les deux tours de cadran, donc à minuit toutes les 24 heures. Il faudra donc faire faire un tour de cadran supplémentaire aux aiguilles si vous changez la date l'après-midi, en ayant tourné les aiguilles en avant, ou si vous la changez le matin, en ayant tourné les aiguilles en arrière... afin que la date continue à changer à minuit et non à midi!

### **Position 3**

Couronne tirée au dernier cran.

Position de mise à l'heure précise, avec arrêt de l'aiguille des secondes, qui reprend sa course dès que la couronne est repoussée. Visser à fond pour assurer l'étanchéité.

### **Wrong About Japan**

Peter Carey, 2012-07-10 Previous winner of two Booker Prizes Peter Carey expands his extraordinary achievement with each new novel but now gives us something entirely different When famously shy Charley Carey becomes obsessed with Japanese manga and anime Peter is not only delighted for his son but entranced himself Thus with a father sharing his twelve year old s exotic comic books begins a journey that will lead them both to Tokyo where a strange Japanese boy will become both their guide and judge The visitors quickly plunge deep into the lanes of Shitamachi into the weird stuff of modern Japan meeting manga artists and anime directors visualists who painstakingly impersonate cartoons and solitary otakus who lead a computerized existence What emerges from these encounters is a pithy far ranging study of history and culture both high and low from samurai to salaryman from kabuki theatre to the post war robot craze Peter Carey's observations are provocative even though his hosts often point out politely that he is wrong about Japan In adventures that are comic surprising and ultimately moving father and son cope with and learn from each other in a place far from home No Real Japan said Charley You've got to promise No temples No museums What could we do We could buy cool manga There'll be no English translations I don't care I'd eat raw fish excerpt from *Wrong About Japan*

### *Mastering the Universe* Rob

Larson, 2024-08-20 Economist Rob Larson combines wit righteous anger and clear eyed analysis as he dissects the lifestyle moral bankruptcy and stupidly large sums of money hoarded by the disgustingly wealthy The fact that we live in one of the most unequal societies in the history of the world is becoming common knowledge And while lists of richest people in x country may be easy to come by how much do we really know about the billionaires who sit atop our global economic system Who are they really How did they accumulate their ill gotten gains And what kind of depravities do they use to maintain their positions Turning their own weapons of class war against them from the fawning profiles found in the Mansion section of the Wall Street Journal to the national income data buried in white papers meant solely for investors and technocrats Larson crunches the numbers so you don't have to But he doesn't stop there because appreciating the sheer scale of the global wealth gap doesn't even touch on all the ways the ruling class are making us miserable breaking our society to pieces and destroying the planet in their pursuit of ever increasing power and profit As we behold whole continents on fire pandemics thrashing public health systems to smithereens and declining lifespans for the vast majority Larson argues that the only way forward is to yank on the emergency break and give capitalism the boot
