Pulpits Young Lee Hertig,2022-03-24 The transformation of patriarchal church culture begins with gender equality in the pulpit For too long the Christian pulpit has been monopolized by men This pattern is especially pronounced in evangelical Asian American and Latinx congregations where women s voices are marginalized and male dominance is reinforced in the church as well as the family The consequences are enormous oRobbing the church of the fullness of the gospel oSilencing the voices of women preachers oMasculinizing Christianity oLosing younger generations of women leaders oModeling structural power inequality oIncreasing violence against women Making academic hermeneutical work accessible for the pulpit A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts Among the perspectives investigated Kay Higuera Smith s Two Mothers Two Promises takes a perspective shifting look at Sarah and Hagar Eunny P Lee s Valorous and Wise Women Who Build Up the House of God depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang s Listening for Your Voice Let Me Hear It The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice [Biblical Studies on the Internet](#) Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use **SCM Studyguide: Theology in the Contemporary World** Ben Pugh,2017-11-30 No

Epperly, 2016-09-16 With this volume on Paul's Letter to the Galatians Dr Bruce Epperly author of Philippians A Participatory Study Guide Finding God in Suffering A Journey with Job and Transforming Acts Acts of the Apostles as a 21st Century Gospel again brings the study of a Bible book to life for a 21st century audience Epperly founds his work in the results on modern critical scholarship but he's not content with reciting scholarship or discussing history He aims to make the study of this theologically central letter a transformative experience He does so by never losing sight of the fact that human problems remain human problems and that human potentiality touched by God's grace can accomplish great things He finds a message of liberation in this book Liberation from our guilt yes but also liberation from our self imposed limitations Through reading discussion exercises and thought questions he leads the reader through a study that can only be described as an adventure It's an adventure you won't want to miss

Philippians: An Introduction and Study Guide Joseph A. Marchal, 2017-02-09 Relatively brief and seemingly unassuming Philippians is frequently underestimated by its readers and users This guide shows that what lies within this letter is much more complicated and dynamic than many expect After surveying the major historical problems and the methods scholars use to arrive at competing solutions Marchal focuses

on the letter's famous hymn of Christ a rare glimpse into a tradition created by the community in Philippi even earlier than Paul's letter. Given its impact and potential, the hymn deserves sustained attention including its connections to slavery and other modes of social power. Turning to the letter as a whole, Marchal asks how this letter fits with types of argumentation in Greco-Roman culture, moving then into a detailed sketch of the rhetorical patterns in the letter from unity and sameness to hierarchy and modeling. Feminist and empire critical approaches are presented alongside more traditional assumptions and ideas throughout, signaling how choices in approach and starting points have historically affected the scholarly visions and communal uses for Philippians. In the final chapter, the letter is put to a series of atypical uses as the insights of queer theories are brought into surprising interaction with the arguments in the letter. Tarrying over unmentionable ideas and provocative moments that readers typically race past, this chapter takes the reader from the hierarchical heights of a cosmic Christ to the depths of excrement being emptied from the same body, from the arguments of waste to revealing asides about human waste and feminine lack. The performative power and possibilities of Paul's letters has never been stranger nor more subversive of the too often destructive and dehumanizing uses of biblical images, ideas, and arguments.

This new edition equips study groups and congregations with questions for discussion and a sermon series guide for preachers.
